In such a case the Sick Leave Bank Committee may agree that a "hardship case" exists and allow such an employee sick leave entitlement from the Sick Leave Bank.

If an employee returns to work and the same disability recurs, it will be considered a continuation of the previous disability provided the employee has returned to work for less than one (1) month.

Employees will be granted sick leave from the Bank upon production of the appropriate medical certification and approval of the Sick Leave Bank Committee.

Allotment of Sick Leave from the Bank shall be at a daily rate equal to the employee's regular daily rate.

Where the number of sick leave days in the Bank have been exhausted, no employee shall be entitled to further benefits from the Sick Leave Bank.

- (c) To be eligible an employee must be disabled to the extent that she is unable to perform the normal duties of her own position or any position made available to the employee that she is able to perform. Where such a position is made available and the rate of pay is less than the employee's rate in her own position, she shall retain the rate of the position she held before the disability.
- (d) Upon the signing of the Collective Agreement the Administrators shall be advised by the Employer in writing of the amount of sick leave accrued to the Bank.

The Sick Leave Bank shall inform the Parties to this Collective Agreement at the close of each calendar year on the utilization of the Bank.

- (e) The Sick Leave Bank shall be administered by a committee made up of one (1) administrator from the Employer and one (1) administrator from the Union.

The Committee shall have full power to grant or disallow sick leave entitlement as outlined under this Article.

Except in the case where the Sick Leave Bank Committee is required to make a decision that a "hardship case" exists as outlined under (b) above, all other disputes in regard to the administration of the Sick Bank as defined herein shall be submitted to the undersigned persons to act as a sole Adjudicator who shall have the power to make a final and binding decision on a dispute under this Article.

The Adjudicator shall be chosen on an equitable rotating manner. If the first named is unable to act, then the next in line shall hear the matter. A final and binding ruling on both parties shall be made 72 hours from the date of hearing.

To qualify as an Adjudicator under this clause, a person must be a recognized medical practitioner entitled to practice in the Province of New Brunswick.
