THIS AGREEMENT made this 16 day of February 2022:

BETWEEN: **THE WORKPLACE HEALTH, SAFETY AND COMPENSATION COMMISSION OF NEW BRUNSWICK**, hereinafter called the "Employer",

AND: **THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 1866**, hereinafter called the "Union".

PREAMBLE

WHEREAS it is the intention and purpose of the parties to this Agreement to encourage and improve harmonious relations and settled conditions of employment among the Employer, employees and the Union, to recognize the mutual value of joint discussions in all matters pertaining to working conditions and employment; to improve the quality of service of the Workplace Health, Safety and Compensation Commission of New Brunswick and to promote the well-being, morale and increased productivity of its employees; to encourage efficiency in operations. Accordingly, the parties hereto set forth certain terms and conditions of employment affecting employees covered by this Agreement.

NOW THEREFORE the parties agree as follows:

ARTICLE 1 - DEFINITIONS

In this Agreement, words defined in the Public Service Labour Relations Act have the same meaning as in that Act.

In this Agreement, words defined in the Interpretation Act and not defined in the Public Service Labour Relations Act, have the same meaning as in the Interpretation Act.

"Bargaining Unit", the Employer recognizes the Canadian Union of Public Employees, Local 1866 (the "Union"), as the sole and exclusive bargaining agent for all employees of the Employer employed at WorkSafeNB in the classifications set forth in Appendix "A" attached hereto or any newly created classification within the scope of the bargaining unit.

"Casual" means an individual who has been hired on a temporary day-to-day basis not meeting the criteria of employee under the Public Service Labour Relations Act. The Collective Agreement does not pertain to these individuals.

“Casual Employee” means an employee who has been hired on a temporary day-to-day basis. Casual employees shall be entitled to all the rights and benefits under this collective agreement except for the following Articles, which shall have either no application or such limited or qualified application as is specifically provided for "casual employees" within the text of the said Article: 13.04, 16, 17, 18, 21, 22, 23, 24, 26, 28, 30, 31, 36.03, 36.04, 36.05. A casual employee must serve an initial probationary period of 6 months. **The discharge of a casual employee during the probationary period shall be deemed to be for just cause.** Casual Employees must be available for work in positions and for days as scheduled by the Employer.

“Permanent Employee” means one confirmed as a permanent employee by the Employer as incumbent of a position listed in Appendix "A", or one added to that Appendix during the currency of this Agreement.

“Probationary Employee” means a person who has been hired for a probationary period with a view of filling a permanent position, the normal probationary period being six months with extension by consent of both parties. A probationary employee is entitled to staff benefits during the probationary period, but may only use vacation leave that has been earned during the probationary period. A probationary employee shall not be afforded the opportunity to apply for another position, permanent or temporary. The discharge of a probationary employee **shall be deemed to be for just cause.**

“Day” means working day. For calendar day to be intended, it must be specifically stated in the article.

“Appointment” means the act of giving a position to an employee as a result of a posted vacancy and includes the appointment to a posted position of a new hire or Casual Employee when no current employee has been appointed.

“Assignment” means the act of giving a position to an employee other than as a result of a posted vacancy, for example as a result of a temporary assignment.

“Selection” means the act of choosing the successful candidate for an appointment or assignment to a posted vacancy.

ARTICLE 2 - RECOGNITION

2.01 The Employer recognizes the Union as the exclusive bargaining agent for all employees to whom New Brunswick Certification Order No. WC 4A2 applies and those classifications outlined in Appendix "A".

2.02 No Employee may be required or permitted to make any written or verbal agreement which conflicts with the terms of this contract.

2.03 No employee in this bargaining unit shall be displaced as a result of employees outside the bargaining unit doing bargaining unit work.

Where there is disagreement as to whether a newly created position is within the scope of the bargaining unit, either party may submit the matter to the Labour and Employment Board for determination.

ARTICLE 3 - APPLICATION

This agreement applies to and is binding on the Union, all employees covered by this collective agreement, the Employer, and its representatives.

ARTICLE 4 - UNION SECURITY AND RIGHTS

4.01 All new employees **covered by this Collective Agreement** added to the staff after the signing of this Agreement shall, as a condition of employment, become members of the Union. Union dues shall become payable upon hiring and will be deducted from the next scheduled pay in which union dues are deducted by the Employer.

The Employer shall deduct from the wages due to every employee in the bargaining unit an amount equal to the regular monthly dues of the Union. The Union will certify to the Employer the dues to be deducted in accordance with the Union Constitution and Bylaws.

4.02 Dues Supporting Documentation

Along with the deductions, the Employer will provide:

- a) the sums deducted pursuant to this article shall be remitted to the Secretary-Treasurer of the Union not later than the fifteenth day of the month immediately following the current month, accompanied by a computer printout, in duplicate, showing name and gross wages of all employees from whom deductions have been made.
- b) an electronic spreadsheet indicating the pay period covered by the deduction and the following information for all employees from whose wages the deductions have been made: name, gross earnings, hours worked, and dues deducted.

Delay in remitting

For any period of delay in the Employer remitting the sums listed in this Article, by the required date of this article, the Employer will pay the Union interest at the rate of prime plus two per cent (2%) per month, or prorated if less than a month.

T-4 slip

The Employer will report the yearly amount of Union dues paid by each employee on the employee's T-4 slip or any other legal reporting requirement which replaces the requirement to report dues remitted on a T-4 slip in the future.

4.03 The Employer shall acquaint new and prospective employees with the fact that a **collective** agreement is in effect and with the conditions set out in this article. New employees hired on a probationary period basis, as defined in this Agreement, shall be advised that a copy of the Collective Agreement is available electronically on commencement of employment.

4.04 New Employees

A representative of the Union shall be given an opportunity to interview each new employee, within regular working hours, without loss of pay, for a maximum of thirty minutes during the first month of employment for the purpose of acquainting the new employee/employees with the benefits and duties of Union membership and his/her responsibilities and obligations to the Employer and the Union.

The Union shall receive a copy of the letter of offer to all employees being employed in a position of local 1866 prior to their first working day.

4.05 Employees who are performing a temporary assignment outside of the bargaining unit, on maternity leave or on any other leave, shall pay union dues for the periods for which they are on leave. The union dues shall be deducted from their pay or paid to the Union directly by post-dated check. An employee may pay in advance or upon return from a leave of absence, which must be arranged prior to taking leave.

4.06 Contact Information

The Employer will provide to the Union a list of all the employees in the bargaining unit. The list will include each person's name, job title/classification, home mailing address, home telephone number (and other available personal telephone numbers, such as cellular numbers), work email, and, if available, personal email.

The list will also indicate the employee's work location and employment status (such as full-time, part-time, temporary, seasonal, casual), and if the employee is on a leave of absence, the nature of the leave.

The employee contact list will be provided in an electronic spreadsheet to the Union Executive on a quarterly basis.

4.07 Work Site Access

The Representative designated by the Union will be given access to work sites in compliance with existing security protocols to meet with employees covered by this

collective agreement during their meal and other scheduled breaks, whether paid or unpaid.

ARTICLE 5 - MANAGEMENT RIGHTS

5.01 All the functions, rights, powers and authority of the Employer shall be recognized by the Union as being retained by the Employer. These include, but are not limited to, the following:

2. to evaluate employees, to classify and reclassify positions, specify employee duties and assign employees to shifts;
3. to change existing methods of facilities and to lay off employees because of lack of work or discontinuance of function;
4. to eliminate jobs and operations where, in the opinion of the Employer, it is in the best interest of efficient operation;
5. to enforce safety and other regulations of the Employer which shall not be inconsistent with the terms of this Agreement.

5.02 The exercise of the aforementioned functions, rights, powers and authority of the Employer shall be subject to any abridgment, delegation or modification thereof effected by any other provision of this collective agreement. The question of whether any of these rights is limited by this agreement shall be decided through the grievance and arbitration procedure.

5.03 Notwithstanding any of the above conditions, the Employer agrees that, where possible, major policy reports and recommendations dealing with wages and working conditions which affect the employees shall be communicated to the Union in time to afford the Union reasonable opportunity to consider same and, if deemed necessary, to discuss them with the Employer before being finalized.

ARTICLE 6 - LABOUR MANAGEMENT COMMITTEE

6.01 A Labour Management Committee shall be established consisting of representatives of the Employer and representatives of the Union. The Committee shall enjoy the full support of both parties in the interests of improved service to the public. Each party shall select their own representatives to the Committee.

6.02 The Committee shall meet on the second Thursday of **every second** month in the afternoon at a mutually agreeable place and time. **In addition**, special meetings may be called at any time by mutual agreement. The agenda shall be prepared and circulated by the secretary of the Committee on the Friday prior to the meeting. The Committee shall have Co-Chairpersons from the Union and the Employer who shall alternate from month to month. Minutes of the meetings, mutually agreed to and signed by the parties, shall be posted on all bulletin boards.

6.03 The Union and the Employer acknowledge the mutual benefits to be derived from joint consultation and agree the Labour Management Committee shall be employed as a forum for a meaningful consultation concerning the interpretation and application of the Collective Agreement and contemplated changes in conditions not governed by this agreement and/or any other matters of mutual interest. Grievances will only be discussed upon mutual agreement. The Committee shall function in an advisory capacity and shall not have the power to alter, amend, add to or modify the terms of this agreement.

6.04 The Committee shall consist of four representatives of the Employer and four representatives of the Union.

ARTICLE 7 - SETTLEMENT THROUGH DISCUSSION

7.01 The Employer and the Union recognize the desirability of the prompt settlement of disputes which may arise with respect to the administration of this agreement. They also recognize that many disputes can be effectively settled through informal discussion and mutual understanding.

7.02 For these reasons, both parties agree that when an employee has such a complaint, he/she will be encouraged to discuss the matter with his/her supervisor as soon as possible after the circumstances giving rise to the complaint occur, and before the first step in the grievance procedure is implemented.

ARTICLE 8 - REPRESENTATIVE FROM CUPE

The Union shall have the right at any time to have the assistance of representatives of the Canadian Union of Public Employees when dealing or negotiating with the Employer.

ARTICLE 9 - STRIKES AND LOCKOUTS

ARTICLE 11 - PUBLIC LEGISLATION

11.01 In the event that any law passed by the Legislature of the Province, applying to employees covered by this agreement renders null and void any provision of this agreement, the remaining provisions of the agreement shall remain in effect for the term of this agreement and the parties shall negotiate an agreeable provision to be substituted for the provision so rendered null and void.

11.02 Where any provision of this agreement conflicts with the provisions of any Public Statute or Regulations of the Province, the provisions of the Public Statute or Regulations shall prevail. Should legislation provide greater benefits than the current collective agreement, the legislation shall apply.

11.03 In the event that legislation is enacted that alters the current dues deduction or remittance language as set out in this collective agreement or existing legislation, the Employer will provide an electronic spreadsheet indicating the pay period covered by the deduction and the following information for all employees from whose wages the deductions have been made, name, gross earnings, hours worked, and dues deducted. The information will be provided not later than the 15th day of the month immediately following the month in which the request is made.

ARTICLE 12 – DISCRIMINATION AND HARASSMENT

12.01 The Employer, its representatives and agents agree that there shall be no discrimination, interference, restriction, coercion or harassment, as per the New Brunswick Human Rights Act, exercised or practiced with respect to any employee within the bargaining unit.

12.02 Harassment Policy

Harassment - WorkSafeNB is committed to providing a healthy and safe harassment-free work environment in which all individuals are treated with respect and dignity. The Employer will ensure that victims of Harassment are able to register complaints without reprisal.

ARTICLE 13 - GRIEVANCE PROCEDURE

13.01 The Union may appoint or otherwise select seven permanent employees to act as a Grievance Committee. Following appointment and subject to written notification to the Employer of the names of the appointees, these employees shall be designated as Union stewards. Duties of the Grievance Committee shall include assisting employees in preparing and presenting grievances in accordance with the grievance procedure hereinafter described. Not more than two shop stewards shall present a grievance at any level.

13.02 Insofar as it is possible to do so, grievances will be served outside normal working hours. Where servicing is necessary during working hours, the steward and the aggrieved shall obtain permission to leave work from the Department Head and such permission shall not be unreasonably withheld. On resumption of work, the steward and the aggrieved shall report to the Department Head.

13.03 Where an employee alleges that the Employer has violated any provision of this Agreement or has acted unjustly and where the employee has the written consent of the Union, the following procedures shall apply:

STEP ONE: Within ten working days after the alleged grievance has arisen, the employee may present the grievance in writing on the form approved by the Chairman of the Labour and Employment Board to the person designated by the Employer as the first level in the grievance procedure. If the employee receives no reply or does not receive satisfactory settlement within ten working days from the date on which the grievance was presented to the person designated as the first level in the grievance procedure, the employee may proceed to STEP TWO.

STEP TWO: Within ten working days from the expiration of the ten-day period referred to in STEP ONE, the employee may present the grievance in writing, by either personal service or by mailing it by registered mail to the person designated by the Employer as the second level in the grievance procedure. If the employee does not receive a reply or a satisfactory settlement of the grievance from the person designated by the Employer as the second level in the grievance procedure within five working days from the date on which the grievance was presented at the second level, the employee may proceed to STEP THREE.

STEP THREE: Within ten working days from the expiration of the five-day period referred to in STEP TWO, the employee may present the grievance in writing or by mailing it by registered mail to the President and C.E.O. of the Workplace Health, Safety and Compensation Commission. Copies of correspondence and grievances presented at STEP ONE and TWO and replies, if any, by persons designated by the Employer under STEP ONE and TWO must accompany the grievance when it is presented to the President and C.E.O. of the Workplace Health, Safety and Compensation Commission.

The President and C.E.O. of the Workplace Health, Safety and Compensation Commission shall reply to the employee in writing within ten working days from the date the grievance was presented to him/her. If the employee does not receive a reply or satisfactory settlement of the grievance from the President and C.E.O. of the Workplace Health, Safety and Compensation Commission within ten working days from the date on which the grievance was presented to the President and C.E.O. of the Workplace Health, Safety and Compensation Commission, the employee may refer the grievance to Adjudication under the New Brunswick Public Service Labour Relations Act and Regulations, not later than twenty working days after the date on which the employee should have received a satisfactory reply from the President and C.E.O. of the Workplace Health, Safety and Compensation Commission.

13.04 The Employer shall prepare a new job description whenever a new job within the bargaining unit is created or whenever the duties of a job within the bargaining unit change. The new job description or job description with changed duties will be reviewed with the Local for their input before it is finalized.

For a new position, the preliminary wage rate will be established in consultation with the Union. Documentation specific to the Employer's Job Evaluation System will be completed by the manager to be used by the Job Evaluation Committee to evaluate the position to determine a final rate of pay. If a majority of the Job Evaluation Committee agrees on the scoring, this result is not grievable. If a majority cannot be reached the matter may be submitted to grievance and adjudication. Any such grievance shall be submitted at STEP TWO.

Refer to Article 39 for Job Evaluation Committee and Classification Review information.

13.05 Any grievance arising directly between the Employer and the Union shall be initiated at STEP THREE.

13.06 Time limits specified in this article may be extended by agreement between the parties in writing.

13.07 The Union and its representatives shall have the right to originate a single grievance on behalf of a group of employees and to seek adjustment with the Employer in the manner provided in the grievance procedure. **Disciplinary matters are not to be the subject of group grievances.** Such a grievance shall commence at STEP TWO.

13.08 All grievances will be judged on their merit.

ARTICLE 14 - ADJUDICATION

14.01 Where a difference arises between the parties relating to the interpretation, application or administration of this agreement, including any question as to whether a matter is adjudicable, or where an allegation is made that this agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this agreement, notify the other party in writing of its desire to submit the difference or allegation to adjudication. The parties shall, within seven days after the receipt by the other party of such notice, appoint an adjudicator to hear and determine the difference or allegation. If within such period of time the parties fail to appoint an adjudicator, the appointment shall, on the written request of either party, be made by the Chairman of the Labour and Employment Board. The adjudicator shall hear and determine the difference or allegation and shall issue a decision. The decision is final and binding on the parties and on any employee affected by it.

14.02 An adjudicator shall give full opportunity to both parties to the grievance to present evidence and make representations as soon as practicable, but not more than 30 days from his/her appointment, unless otherwise agreed by the parties.

14.03 An adjudicator has in relation to the hearing or determination of any grievance that the adjudicator may hear or determine all of the powers and privileges that commissioners have under the Inquiries Act.

14.04 The Arbitration Act does not apply to adjudications conducted by an adjudicator.

14.05 Where an adjudicator determines that an employee has been discharged or otherwise disciplined by the Employer for cause and the Collective Agreement or arbitral award does not contain a specific penalty for the infraction that resulted in the employee being discharged or otherwise disciplined, the adjudicator may substitute such other penalty for the discharge or discipline as to the adjudicator seems just and reasonable in all the circumstances.

14.06 No adjudicator shall, in respect of any grievance, render any decision thereon the effect of which would be to require the amendment of this collective agreement.

14.07 After considering the grievance, the adjudicator

- a) shall render a decision thereon as may finally dispose of the question in issue and the decision shall be final and binding on the parties;
- b) shall send a copy of the decision to each party and his/her or its representative, and in the case of a grievance presented by an employee, to the bargaining agent for the bargaining unit, to which the employee whose grievance it is, belongs;
- c) shall deposit a copy of the decision with the Chairman of the Labour and Employment Board; and

d) shall render his/her decision within thirty (30) days of the close of the hearing unless the parties agree otherwise.

14.08 Where a decision on any grievance referred to adjudication requires any action by or on the part of the Employer, the Employer shall take such action.

14.09 Where a decision on any grievance requires any action by or on the part of the employee or a bargaining agent, or both of them, the employee or bargaining agent, or both, as the case may be, shall take such action.

14.10 The Employer and the bargaining agent for the relevant bargaining unit shall each pay one- half of the remuneration and expenses of the adjudicator.

14.11 In any case, including cases arising out of any form of discipline or the loss of any remuneration, benefit or privilege, the Adjudicator or Board of Adjudication shall, consistent with the jurisdiction and powers granted under the Public Service Labour Relations Act, have full power to direct payment of compensation, vary the penalty, or to direct reinstatement of a benefit or privilege, or to affirm the taking away of such benefit or privilege, as the Board of Adjudication may determine appropriate, to finally settle the issues between the parties, and may give retroactive effect to its decision.

14.12 The Union shall have the right to have the assistance of Executive members and employees directly involved in the adjudication procedure and such employee(s) will not suffer any loss of wages during such periods.

ARTICLE 15 - SUSPENSION AND DISCHARGE

15.01 No employee shall be disciplined by written reprimand, suspension or by discharge, except for just cause.

15.02 If the Employer holds an Employee off work pending the investigation of a potential disciplinary matter, and if investigation and disciplinary decision is not concluded within fifteen (15) working days, the Employee shall be paid for any lost time beyond those fifteen (15) days.

15.03 Should the provisions of Article 15.02 not be complied with, any such disciplinary action shall be rendered null and void.

15.04 When an employee alleges suspension or dismissal in violation of Article 15.01, the employee may, within fifteen working days of the date notified in writing, invoke the grievance procedures including adjudication as set out in this agreement and for the purpose of a grievance alleging violation of Article 15.01, shall lodge the grievance at the final level of the grievance procedure.

15.05 Subject to the substituted penalty provisions of Article 14.05, where it is determined that an employee has been unjustly disciplined by suspension or by discharge in violation of Article 15.01, that employee shall be immediately reinstated in the former position without loss of seniority or any other benefits which would have accrued if the employee had not been suspended or discharged. One of the benefits which the employee shall not lose is the wages accruing over the period of suspension or discharge, which shall then be paid at the end of the next complete pay period following reinstatement.

15.06 a) Any letters of reprimand or any adverse disciplinary reports which do not involve a disciplinary suspension without pay shall be removed from the personnel file of any employee after the expiration of twelve (12) months during which the said employee has incurred no further reprimand or discipline.

b) Any record of a disciplinary suspension without pay, shall be removed from the personnel file of any employee after the expiration of twenty-four (24) months during which the said employee has incurred no reprimand or other disciplinary measure.

22.03 On completion of eighteen years of continuous service, employees shall earn vacation entitlement at the rate of two and one-twelfth days for each full calendar month of service, for a total of twenty-five days per complete year of service.

22.04 Vacation credits shall be taken from January 1 to December 31 of each year or within the first two weeks of the next year. Vacation carry over requests beyond these parameters, up to a maximum of 5 days, requires a written request which shall require the approval of the appropriate Department Head. Vacation carry over requests greater than 5 days must be in writing and shall require the approval of the appropriate Vice-President and should be received in Human Resources by December 1st of each year.

22.05 Vacations shall be taken at times agreed upon between the employees and the Employer. Preference of vacation periods shall be governed by the Employer according to seniority.

22.06 Vacations shall be taken in denominations of five, four, three, two or one week, except that an employee may be permitted to take two weeks of vacation in denominations of one or more days at the discretion of the Employer. Holidays shall not be included when computing vacation days taken.

22.07 Any employee proceeding on vacation leave shall have the right to receive in advance, on request, any salary which may be payable during the planned period of absence, providing such request is made at least two weeks prior to vacation commencement.

22.08 Where an employee qualifies for paid sick leave, bereavement or any other recognized leave during his/her period of vacation, there shall be no deduction from vacation credits for such absence. To qualify for paid sick leave during vacation periods, the employee must present a medical certificate upon return to work. The period of vacation so displaced shall be rescheduled at a mutually acceptable time.

22.09 An employee may purchase 1 extra week (5 days) under the following conditions:

- Participation of an employee is at the discretion of the Employer and is not based on seniority;
- The manager has full discretion to approve or deny the time requests based on operational needs;
- Successful completion of probation period (including new employees to the organization, and employees in new roles);
- A record of performance that meets or exceed expectations as defined by the manager;

- If an employee does not like any specific guideline of this Article, they may not file a grievance, but are free to withdraw from the program.

ARTICLE 23 - SICK LEAVE

23.01 Each casual employee, probationary employee and permanent employee shall earn paid sick leave entitlement at the rate of one and one-half days for each full calendar month of paid service, cumulative to two hundred and forty days.

23.02 Paid sick leave accumulated shall be taken during periods of absence due to illness, disablement or quarantine, to the total extent of accumulated paid sick leave credits. Casual employees shall be entitled to paid sick leave when such absence occurs during a period in which the casual employee would otherwise be working.

23.03 Where possible, an employee shall be required to report an absence due to sickness within one-half hour of the commencement of the workday to the appropriate Department Head. Such report shall be made by the employee involved or, if such action is physically impossible, the employee shall arrange for notification within the specified one-half hour.

23.04 The Employer shall have the right to investigate cases of reported illness. Medical certificates may be required to substantiate any such instances which extend beyond three consecutive days, or for each absence of any duration after uncertified sick leave has reached a total of nine days within one calendar year.

23.05 Where an employee qualifies for paid sick leave during his/her period of vacation, there shall be no deduction from vacation credits for such absence. To qualify for paid sick leave during vacation periods, the employee must present a medical certificate upon return to work. The period of vacation so displaced shall be rescheduled at a mutually acceptable time.

23.06 The Employer shall grant up to six months leave of absence without pay to any permanent employee who has exhausted paid sick leave credits and who remains absent because of illness.

23.07 Immediately after the close of the calendar year, the Employer shall advise each employee in writing of the amount of paid sick leave credits accrued.

23.08 An employee who has contributed to the New Brunswick Public Service Superannuation Fund for not less than eighteen months, and who has exhausted paid sick leave entitlement, shall, upon application, if it appears probable that a return to work

will occur, be advanced up to fifteen days of anticipatory paid sick leave. Any such advance paid sick leave granted shall be recovered by deduction from any credits subsequently accumulated by the employee. In no case shall any further application for paid sick leave under this article be approved until:

1. the initial advance paid sick leave has been recovered; or
2. the employee will be entering the "sick leave bank" under article 23.10.

23.09 Where the employment of an employee who has been granted advance paid sick leave in accordance with Article 23.08 is terminated for any reason, the employee shall compensate the Employer for any such leave that remains unearned at the time of termination.

23.10 There shall be established forthwith a "sick leave bank" which the Employer shall credit with 200 paid sick leave days. The purpose of the "sick leave bank" shall be to make available additional paid sick leave days to "eligible employees" who have exhausted their personal paid sick leave entitlement and have utilized the provision of Article 23.08 to a total maximum of 200 such additional paid sick leave days for all such "eligible employees" in any contract year. The Employer shall, on January 1 of each year, credit the "sick leave bank" with whatever number of days are necessary to replace those days, if any, used by "eligible employees" in the previous year, so that the "sick leave bank" will have 200 paid sick leave days as of January 1 of each year.

There shall be established forthwith a "sick leave bank committee" comprised of two representatives of the Employer and two representatives of the Union who shall grant paid sick leave to "eligible employees"; in the event of a disagreement between the members of this committee so designated as to employees' eligibility, a qualified independent medical doctor shall be selected at random to form the fifth member of this committee, and his/her decision shall be the decision of the committee. An "eligible employee" shall be defined as an employee who has exhausted his or her personal paid sick leave entitlement and who continues to suffer from an illness which renders him/her unable to work, both of which qualifications are subject to review and approval on a continuing basis by the "sick leave bank committee".

An employee shall only enter the "sick leave bank" if he/she has borrowed time under 23.08 and are in a 15-day credit position (to be paid back). The maximum amount of time an employee can utilize under the "sick leave bank" shall be 20 days per application. If an employee remains absent from work beyond those 20 days, he/she would be on a leave of absence without pay for medical reasons. An employee who is on a leave of absence due to medical reasons would be eligible to reapply for time under the "sick leave bank" only after exhausting all entitlement to sick leave benefits under Employment Insurance. Only two applications of 20 days per calendar year may be granted to an employee.

23.11 Effective January 1, 2000, all eligible employees shall be members of the Provincial Long Term Disability Plan. The monthly premium shall be paid for by the employee.

An employee on Long Term Disability shall retain full employment status for 28 months and during that period (28 months) shall have their health, dental and group life benefit premium paid for by the Employer.

For greater clarification, an employee on such leave of absence shall not accumulate vacation or sick time and their employment shall expire if the employee receives a permanent disability award under this LTD plan, or the employee accepts alternate employment.

23.12 Where an employee has been granted paid leave of absence under Article 23, the employee shall retain full employment status and accumulate as well as receive all benefits under this collective agreement.

Where an employee has been granted unpaid leave of absence under Article 23, and the employee remains absent due to illness, the employee will have his/her group life coverage paid by the Employer.

Note: for examples on the integration of borrowed sick time, sick leave bank and leave of absence for medical reasons, see Appendix "B".

ARTICLE 24 - LEAVE OF ABSENCE

24.01 The Employer shall grant leave of absence with pay up to five (5) days maximum in the case of death of a husband, wife, common-law spouse, child, step-child, parent, brother, sister, grandparent, grandchild, mother-in-law, father-in-law, sister-in-law, brother-in-law, or any other relative who is resident in the same household as the employee requesting the leave. The Employer shall grant leave of absence with pay up to one (1) day maximum in the case of death of an aunt or uncle. Where **employees are required to travel in excess of 200 kilometers one-way to attend the funeral or burial, the employer shall grant reasonable travel time up to a maximum of two (2) additional days of paid leave.** When bereavement occurs during a period of vacation leave, the employee shall be entitled to qualify for bereavement leave and the days of vacation leave shall be rescheduled, provided in compliance with Article 22.08.

The Employer shall grant leave of absence with pay up to five (5) days maximum in the case of critical care where death is anticipated by medical personal and/or life threatening surgery requiring general anesthetic and the recovery time in a critical care unit of a husband, wife, common-law spouse, child, parent, brother, sister, grandparent, grandchild, mother-in-law, father-in-law, sister-in-law, brother-in-law, or any other relative who is resident in the same household as the employee requesting the leave. For clarification this does not cover day surgery or time once the patient has been removed from critical care unit and is in recovery.

The Employer shall grant leave of absence with pay for time required up to one (1) day maximum in the case where an employee is called to the hospital for an unscheduled medical emergency of a husband, wife, common-law spouse, child, parent or any other relative who is resident in the same household as the employee requesting the leave.

24.02 The Employer shall grant leave of absence with pay to any employee to attend a funeral as a pallbearer or as a mourner, but such absences shall be limited to actual time required to a maximum of one (1) day. If one-way travel exceeds 200 kilometers, the employee may take a second day without pay or use vacation. The Employer shall have the right to control the frequency for such leave. If frequency becomes an issue, the employee shall make up the time or use vacation time.

24.04 Medical or dental appointments are to be arranged outside the normal daily working hours. When this is not possible, the Employer shall grant casual leave of absence with pay to any employee for that purpose. The Employer shall have the right to control the amount of time off for such appointments.

24.05 The Employer shall grant casual leave of absence with pay to all employees for the purpose of exercising their suffrage in any federal, provincial or municipal election. Leave of absence under this section shall be in accordance with the Elections Act.

24.06 Inclement Weather, road conditions and workplace closures. Any employee or casual employee who believes their personal safety is at risk during inclement weather and does not report to work, is late in reporting for work, or leaves work early shall be given the opportunity to replace such time by accumulated overtime, accumulated vacation or by making up the time if agreed to by the supervisor. When the workplace is closed during an employee's or casual employee's work day due to weather conditions, such employee shall be entitled to leave the workplace without loss of pay. Days during which a workplace is closed due to inclement weather, employees/ casual employees of that workplace are not required to be in attendance and shall not suffer any loss of pay nor be required to make up the time on account of such absence. Such right to leave shall not be unreasonably withheld.

For clarification, employees who have taken a vacation day because they have concern that their personal safety was at risk and the office is subsequently closed for the day will have their vacation day reinstated but employees who have been on pre-approved vacation not related to concern for their personal safety due to inclement weather will not have the vacation day reinstated.

24.07 The Employer shall grant leave of absence with pay to an employee who is required to serve as a juror or court witness. However, any fee received for loss of wages only for such jury or witness duty shall then be paid to the Commission by the employee. It shall be the responsibility of the employee to produce proof of such service and the wages received.

24.08 Where an employee has been granted paid leave of absence under Article 24, the employee shall retain full employment status and accumulate as well as receive all benefits under this collective agreement.

Where an employee has been granted unpaid leave of absence under Article 24, the employee will not receive any benefits except in the following cases:

1. an employee attending Labour school will only accumulate seniority;
2. an employee on Maternity/Parental leave will accumulate seniority and have their health, dental and group life benefit coverage paid for by the Employer;
3. an employee will continue to be eligible for LTD provided the employee continues to pay his/her monthly premium and the continued coverage is supported by the carrier.

24.10 The Union shall provide the Employer with three (3) weeks notice of any requirement for leave of absence requested in accordance with Articles 24.03. If an unexpected or emergency convention is duly called and leave of absence is requested under Article 24.03, and the three (3) week notification cannot be given, the Union shall provide notice immediately when known.

Leave of absence shall be granted for **up to** one (1) year. During this authorized leave of absence, the employee's seniority will be maintained. Consideration will be given to renewal of the leave with two (2) month notification prior to completion of the one (1) year leave.

24.12 Any employee deemed necessary by a certificate to attend any medical training regarding a spouse, child or if living at home, a parent, shall be granted up to three (3) days special leave with pay, with no loss of seniority or benefits. Family leave must be used as a minimum of half (1/2) day requests at one time. **This leave shall not count as uncertified sick time under Article 23.04**

Family Leave shall only be used to:

If that position has been subject to a workforce reduction during the absence of the employee on maternity leave, such reduction shall not affect the employee until after her return to work.

(b) An employee whose spouse or partner has given birth is or who has adopted a child is entitled to one day's leave of absence with pay to be taken within five working days of the birth or adoption.

- ii. If both parents are employees, the child care leave may be taken wholly by one of the employees, or be shared by the employees. The aggregate amount of child care leave that may be taken by two employees with respect to the same birth or adoption shall not exceed 62 weeks.

ARTICLE 25 - INJURED ON DUTY

25.01 An employee who is injured on duty shall receive regular salary payment for the remainder of the workday without deduction from sick leave credits, provided that medical evidence indicates the employee to be unfit for further work on that day or shift.

25.02 The absence of an employee, who is receiving total temporary disability benefits under the Workers' Compensation Act, shall not be charged against the employee's sick leave or vacation credits, which shall accumulate.

25.03 An employee who is injured on duty shall have the option to use sick time until the claim has been adjudicated. If the claim is accepted and the employee remains

absent due to work injury the employee must switch to receipt of WHSCC benefits. At that time the employee will have the option of repaying, the portion of sick credits used while awaiting a decision from adjudication and having these days reimbursed back to their personal sick credits at a percentage that the compensation cheque would allow.

ARTICLE 26 – POSTING AND TEMPORARY ASSIGNMENT

26.01 Posting of permanent vacancy

- (a) **When a permanent vacancy arises, the vacancy shall be posted on staff bulletin boards for a minimum of six (6) working days so that employees can apply. The notice must contain the following information:**
- 1) **The job classification on which the vacancy arises;**
 - 2) **The knowledge, education, and experience required to perform the job functions to a minimum acceptable standard;**
 - 3) **The current normal hours of work;**
 - 4) **The salary range and rate; and**
 - 5) **The location to which the successful candidate will be first assigned.**
- (b) **The Employer will not advertise a bargaining unit position externally until the posting period has ended without a qualified bargaining unit employee having applied. The parties may agree to waive this provision where it is unlikely that an internal candidate will have the minimum qualifications for the vacant position.**
- (c) **The Employer shall announce the selection of the successful applicant within fifteen (15) working days of the end of the posting period, and the successful applicant shall be appointed to the duties of their new position within two weeks of the date that they are selected.**

Casual Employees may apply for permanent vacancies.

- (d) **In the case of a permanent vacancy, if the Employer is unable to start the successful applicant on the new position within two (2) weeks of the selection date and the pay rate of the new position is higher than the pay rate of the applicant's former position, the successful applicant will be entitled to the pay rate of the new position from the date of which the appointment should have been made, i.e. a date two weeks after the date of the announced selection.**

26.02 Posted temporary vacancies

If a temporary vacancy is expected to last for more than thirty (30) days it shall be posted and filled in the same manner as a permanent vacancy under Article 26.01 (a) for forty-eight (48) hours. Posted temporary vacancies may arise due to the

absence of an incumbent employee or due to the need for additional staff in a classification for a period known or expected to last no more than a year.

An employee selected or appointed to fill a posted temporary vacancy shall not be entitled to apply for another posted temporary vacancy unless their posted temporary position is expected to end before the new position is filled. An employee selected or appointed to fill a posted temporary vacancy may still apply for posted permanent vacancies.

If a temporary vacancy that was posted due to the need for additional staff in a classification was originally expected to last less than twelve (12) months but actually persists for twelve (12) months, the Employer shall review the continuing need for the position. If the need is expected to continue indefinitely, it shall be posted as a permanent vacancy.

26.03 Trial period

When a posted position is filled by the appointment of a staff member, there will be a six (6) month trial period. If the applicant for a position either inside or outside the bargaining unit proves to be unsatisfactory during their trial period or voluntarily wishes to revert to their previous position, they shall be returned to their former position and its associated salary without loss of seniority, except that if the position is no longer available due to work force reduction or reorganization, the employee shall be subject to Article 27.

If the reversion to a previous position under this article results in a redundancy on that position, the employee who replaced the reverting employee shall be returned to their previous position in the same manner as the reverting employee, and that process will continue until all affected employees have reverted. It is understood that if an employee was hired as a result of the series of promotions involved, that employee may have to be laid off and placed on the casual list.

Should a reversion under this article affect an employee who was promoted to their current permanent position from a casual position, that employee will be deemed an applicant for any posted permanent position for which a successful candidate has not yet been selected provided they meet the requirements for the position. If no such vacancies exist for the displaced reverting employee, they will return to the status of casual employee.

If the displaced employee reverts to casual status, they may displace the most junior casual employee who is holding a temporary assignment or temporary posting provided they meet the requirements for the position.

26.04 Temporary assignment

If a temporary vacancy is expected to last for 30 days or less, it shall be filled by temporary assignment.

An employee already on a temporary assignment shall not be considered for another temporary assignment unless it provides for a further increase in pay. The Employer shall assign any Casual Employee who can perform the duties.

Where the higher position is outside the bargaining unit, the employee shall receive the rate of pay of the position filled with an increase of not less than ten (10) percent. The employee shall be deemed to be covered by this collective agreement during the period of temporary assignment.

26.05 End of temporary appointment or assignment

When a temporary appointment to a posted vacancy or a temporary assignment ends, the employee appointed or assigned to the position shall be returned to the position they held prior to the appointment or assignment. If that position is no longer available due to work force reduction or reorganization, the returning employee shall be afforded their rights under Article 27 when the temporary appointment or assignment ends.

26.06 Selection

Both parties recognize:

- 1. the principle of promotion within the service of the Employer;**
- 2. that job opportunity should increase in proportion to length of service.**

In selecting the successful applicant to any posted vacancy, the Employer shall first consider applicants who are permanent employees and select the permanent employee applicant with the greatest seniority who meets the minimum qualifications and experience required or an equivalent combination of education and experience for the position. If there is no such applicant, the Employer shall consider applicants who are Casual Employees and select the Casual Employee applicant with the greatest seniority who meets the minimum qualification and experience required or an equivalent combination of education and experience for the position.

“Minimum qualifications” means a reasonable expectation based on the training, education, experience or skills of an employee, that the employee will be able to perform the duties of the position in a satisfactory manner following a reasonable period of familiarization.

Within five (5) working days of the awarding of a position, the name of the successful applicant shall be placed on all bulletin boards, with a copy to all applicants, or on the intranet.

26.07 Pay on appointment or assignment to higher-rated position

When an employee is appointed to a higher classification as a result of a posted vacancy or is temporarily assigned to a higher-paid classification for more than three working days, they shall be paid at the minimum salary step of the higher classification that will provide the lower of:

- a) a salary increase of at least 10 per cent over their current salary; or
- b) the maximum salary step of the position.

In the case of a temporary assignment, the pay increase shall be made retroactive to the first day of the assignment.

26.08 Notice to Union

The Employer shall send an electronic notice to the Union executive of any hiring, appointment, lay-off, rehiring, and termination of employment. Once each month, the Employer shall electronically provide the Union with a listing of all persons who have been employed on a casual or temporary basis, along with description of the nature and length of the employment.

26.09 Technological Change

Six weeks before the introduction of any technological change which may require new or greater skills than are possessed by the employees affected, the Employer shall notify the Union of the proposed change. In the event that such changes require new or greater skills than are possessed by employees, then such employees shall be given a reasonable period of time during which they may acquire such skills. An employee who is displaced from a job because of technological change will be given the opportunity (including a reasonable training period, if necessary) to fill other positions in the bargaining unit in accordance with the employee's qualifications, ability and seniority.

26.10 Job Shadowing

In order to give employees the opportunity of determining whether they may be interested in another position, to which they have not been previously exposed,

the Employer agrees to allow senior employee who meet the qualifications or who are within 12 months of meeting the qualifications through part-time schooling, to request exposure to positions inside or outside the bargaining unit. If the request is agreed to, such employees shall be allowed opportunities to be exposed to higher or equal positions during regular working hours by working together with employees for temporary periods, without affecting the salary or pay of the employees concerned. Such opportunities for exposure shall be allocated to the seniority provisions of this Agreement.

26.11 Employee Education

The Employer shall pay the cost of successfully completed official language, academic, or technical courses which were attended outside working hours and were approved in advance by the Employer. If an employee's application for approval is denied, the employee shall be given the reason in writing. Employees may find additional information on education under the Employer's Directive (33-000.22) Employee Education.

26.12 Additional duties

When an employee is assigned to perform, in addition to his own job duties, the major functions of another position for at least three (3) consecutive working days, he/she shall be entitled to receive an additional ten (10) percent of his basic salary. When the Employer assigns additional duties for at least three consecutive working days under this paragraph, such assignment shall be confirmed in writing.

ARTICLE 27 - LAY-OFFS AND RE-HIRINGS

27.01 The Employer shall notify employees of impending lay-offs ten (10) working days prior to the effective date. Where such advance notice is not given, the Employer shall ensure payment of salary for that part of the ten (10) working days for which work was not made available.

27.02 In the event of a lay-off, employees shall be released in the reverse order of seniority, provided those retained have the ability to do the work. When re-hirings are to be effected, employees shall be recalled in reverse order of lay-off.

27.03 No job applicants shall be hired until temporarily laid off employees have had the opportunity for re-employment **in vacant positions for which they are qualified.**

27.04 The Employer shall pay the full premiums for the Life Health and Dental program and group life insurance coverage for any employee who is temporarily laid off for a period of three (3) months or less.

27.05 Where there is a reduction in work within a Local Office, the most junior employee(s) in the affected classification in that Local Office will be displaced and the reduction resolved in the following manner.

- a. **If the most junior employee in the affected classification province-wide works at another Local Office, the initially displaced employee will be offered the opportunity of an assignment within the same classification at such other Local Office.**
 - i. **If the initially displaced employee accepts the assignment within the same classification to the Local Office where the most junior employee in the classification works, the most junior employee in the classification shall be in turn displaced from their job. That subsequently displaced junior employee shall be entitled to exercise their seniority to attempt to claim a job in another classification.**
 - ii. **If the Initially displaced employee refuses assignment within the same classification to the other Local Office, they shall be displaced from their classification and entitled to exercise their seniority to attempt to claim another position within their own Local Office.**
- b. **Once an employee is displaced from their own classification, they may claim the job of the employee with the least seniority in any other classification at the same or lower pay range subject to the following conditions:**
 - i. **They must be senior to the employee they seek to displace;**
 - ii. **They must meet the minimum qualifications for the job. The Employer shall not assess the qualifications of the employee in an arbitrary manner;**
 - iii. **Once a displaced employee has first refused an opportunity for work at another Local Office, all subsequent displacements rights for that employee shall be limited to their current Local Office.**

Example:

- **Due to a staff reduction in Grand Falls, Susan is redundant, as she is the junior employee in Classification X in Grand Falls. Jeanne is the most junior employee province-wide in Classification X but works in Saint John Region. Susan is offered assignment to Jeanne's work in Saint John Region (assuming Jeanne's work can't simply be done from the Grand Falls office). Susan refuses assignment to Saint John Region and is displaced from Classification X.**

- Susan is qualified to do another, same or lower-paying, job in Classification Y. The most junior employee in Classification Y is Ben, who works in Dieppe. But Susan has already rejected an out-of-office transfer so Susan may not displace Ben.
 - Yvonne is the most junior employee in Classification Y in the Grand Falls local office. Susan is senior to Yvonne and will be allowed to displace Yvonne.
 - Now the process starts over with respect to Yvonne. Yvonne is offered assignment to Ben's work in the same classification in Dieppe. This is Yvonne's one-time option to leave her Local Office. If Yvonne accepts, she will be assigned to Dieppe. If she refuses, all Yvonne's remaining displacement rights will be exercised in the Grand Falls Local Office.
- c. If there is no job which an employee may claim under this provision, the employee will be laid off.
- d. Local Office shall mean: Grand Falls, Bathurst, Dieppe. or Saint John Region (including Grand Bay / Westfield).

ARTICLE 28 - RETENTION OF RIGHTS AND PRIVILEGES

In the event the Employer transfers, merges, amalgamates, or combines any of its operations or functions with or to another organization, the Employer, through whatever merger or transfer agreement involved, agrees that all benefits and conditions of employment held by the employees shall be integrated and shall not be adversely affected, insofar as it is possible for the Employer to do so.

ARTICLE 29 - DISABLED EMPLOYEE PREFERENCE

A long service employee who is unable to perform the regular duties of the position, shall be given priority of consideration of any work within that employee's medical limitations that is available and for which the employee is qualified, at the salary payable for the position to which assigned.

ARTICLE 30 - INSURED BENEFITS

30.01 The Employer will make the following payment October 1st each year of the Agreement:

\$4,105.07 * budgeted positions (currently 109) + \$3,118.97 (world-wide travel)

For clarification, the only change in the calculation from year to year would occur if the number of budgeted positions changed.

30.02 The Employer shall pay the full premium of the following Group Life Insurance Plan at 2 times (2x) the base salary.

Such amount to be carried forward pro rata until the parties enter into a renewal agreement following the termination of the written agreement.

ARTICLE 31 - SUBCONTRACTING

The Employer shall not, subcontract, transfer, lease, assign or convey in whole or part, to any other plant, person, company, any work or service which is presently or hereafter assigned to the bargaining unit, unless the Employer in taking such action does not cause an employee in the bargaining unit to suffer a reduction of pay, be laid off or to be displaced from the employee's classification unless the employee is afforded an equivalent or higher position. Affected employees may also be afforded a lower paying position without loss of pay if mutually agreed.

ARTICLE 32 – HEALTH AND SAFETY

32.01 The Employer shall make all reasonable provisions for the safety of its employees while on duty, and shall provide for such tools, safety equipment and protective clothing as may be required in the performance of duty.

32.02 It is agreed that a Health & Safety Committee be appointed, comprising one member from the bargaining unit and one representative of the Employer. Duties of this Committee shall be to promote health and safety in working conditions, and health inspections at regular intervals.

Annual Vacation
(Without Prejudice)

Notwithstanding the Collective Agreement and without prejudice the parties agree to the following regarding the selection and approval of annual vacation requests keeping in mind the intent is to continue to respect Article 22 – Vacations.

The following is a clarification for **work week** and **denominations of one or more days** identified under article 22.06 of the collective agreement.

A full week is a week in which all work days are taken as vacation days. If a week has any holidays in the week, taking all work days in the shortened work week is still considered a full work week. Any time taken that does not include all work days in the week is considered vacation in denominations of one or more days. All full weeks will be considered and approved before any denominations of one or more days are considered.

The following is the process for making and approving requests understanding that full weeks are approved before any consideration is given to denominations of one or more days:

- Deadline for vacation submission is March 31st. Authorization of full week requests (Sunday to Monday, including weeks with statutory holidays) will be authorized for all employees within the department before requests for denominations of one or more days will be authorized.
- Deadline for Manager's approval is April 15th.
- Any vacation submitted after the April 15th approval deadline which represents all preapproved vacation, will be approved on a first come basis.
- Once vacation is approved, it will be considered confirmed regardless of movement between departments.
- In the event a confirmed vacation must be cancelled by the employer, cancellation will start with the least senior member in the department. Any unrecoverable expenses incurred by the member will be reimbursed by the employer.
- Deadline for January-March vacation submissions is November 15th.
- Deadline for Manager's approval is December 1st.
- Any vacation during the first 2 weeks of the new year that was approved under the previous year takes precedent over requests in this process.
- Emergency requests will be handled on a case by case basis.

Letter of Agreement – Summer Students
Between WorkSafeNB and CUPE Local 1866
(Without Prejudice)

The principals used to set the guidelines for the use of summer students are that summer students do not replace permanent employees for vacation or other absences as that is the role of casual employees if required. Instead summer students cover projects, special assignments, extra hands assisting employees in the bargaining unit, covering phones, etc. to the mutual benefit of all parties and allowing more flexibility around vacations during the peak demand for vacation by employees.

The guidelines to be used for the usage of summer students are as follows:

- The children of bargaining and non-bargaining employees will get equal consideration for summer student positions within the process of selecting summer students.
- These guidelines will be reviewed on an annual basis following the summer and altered if required. Even if no adjustments are required this agreement must be signed off to be valid for the following summer.
- All supervisory staff requesting summer students will be given a copy of this new agreement the following summer to assist them in assessing their needs.
- The union will be advised of all summer students who will be carrying out any duties that would normally be carried out by a member of local 1866 prior to the summer student commencing summer employment and what duties they will be carrying out.
- Summer students are not to perform any bargaining unit position in its entirety and should be given less than 50% of the duties/tasks of any job description in the bargaining unit.
- Summer students will not be given a bargaining unit job title.
- The work of summer students should be directed. Summer students can learn how to perform duties/tasks of the bargaining unit, but decision-making tasks are to be completed by a trained employee in the bargaining unit.
- There will be no delay in posting positions, permanent or temporary as a result a summer student is in the department and covering minimal duties.
- Any concerns raised by the union over the duties/tasks of a summer student will be investigated promptly and followed-up in a timely manner. If the matter remains unresolved following the investigation, the summer student will be removed from those duties/tasks until such time as a resolution is mutually agreed.
- Students will not replace or do any work of employees in the bargaining unit in the event of a legal work stoppage.
- This agreement is without prejudice and the union reserves the right to file a grievance and/or Labour Board complaint for any violations.
