PREAMBLE

The purpose of this Agreement is to maintain harmonious and mutually beneficial relationships between the Employer, the employees and the Union, to set forth certain terms and conditions of employment relating to pay, hours of work, employee benefits and general working conditions affecting employees covered by this Agreement and to ensure that all reasonable measures are provided for the safety and occupational health of the employees.

The parties of this Agreement share a desire to improve the quality of the auxiliary services necessary to the functions of the University and to promote the well-being and increased productivity of its employees. Accordingly, they are determined to establish an effective working relationship at all levels of the University in which members of the bargaining unit are employed.

ARTICLE 1 - Interpretation and Definitions

1.01 For the purpose of this Agreement:

- (a) "Employer" means the University of New Brunswick, that is, the Corporation of the University of New Brunswick as incorporated under Chapter 63 of the Acts 22 Victoria (1859), as amended, and continued by the University of New Brunswick Act (1968), as amended, and any person(s) duly appointed by it to act on its behalf.
- (b) "Union" means the Canadian Union of Public Employees, Local 3339, bargaining units as described in Clause 3.01, and any person(s) duly appointed by it to act on its behalf.
- (c) "Bargaining unit" means a group of employees as recognized in Clause 3.01.
- (d) "Employee" means a person who is a member of the bargaining unit.
- (e) "Probationary employee" means an employee who is on trial for a probationary period of up to 120 days worked. The Probationary period may be extended once by mutual agreement between the Parties, for a further period not to exceed 120 days worked should circumstances warrant.
- (f) "Regular employee" means an employee who has satisfactorily completed the probationary period and who is engaged on a continuing basis.
- (g) "Full-time employee" means a probationary or regular employee who is engaged on the basis of a work week of twenty-nine (29) hours or more.
- (h) "Part-time employee" means a probationary or regular employee who is engaged on the basis of a work week of not less than eighteen (18) hours but less than twenty-nine (29) hours.
- (i) "Renewable term employee" means an employee who is engaged in an ongoing position for a minimum of eighteen (18) hours a week for a term appointment of **at least eight (8) months but less than twelve (12) months**, each year and the employee is recalled to this position each year.

ARTICLE 2 - Application of Agreement

2.01 This Agreement applies to and is binding on the Union, the employees, the Employer and its representatives.

ARTICLE 3 - Recognition

3.01 The Employer recognizes the Union as the sole and exclusive bargaining agent for the bargaining unit as set out in the Certification Order 1-3-89 dated June 12, 1989 which reads, in part, as follows "all regular full time support staff employees and regular part time employees employed 20 hours per week or more on a regular basis by the University of New Brunswick on the Saint John Campus in General Labour, Trades, Clerical, Secretarial, Library Assistant and Technical Job Classifications - that are not funded from external funds; for example, grants and contracts - save and except students, temporary, casual employees and those excluded by the Industrial Relations Act."

3.01A The positions covered by the collective agreement are contained in Appendix "D".

3.01B The Parties to the Collective Agreement have mutually agreed to reduce the 20 hours per week specified in Article 3.01 to 18 hours per week.

3.02 Classifications may be added to or deleted from the Bargaining Unit by agreement between the Employer and the Union. In case of failure to reach agreement, the matter may be referred to the New Brunswick **Labour and Employment** Board.

In the event a new classification is included in the bargaining unit during the life of the agreement then the Employer will establish an hourly rate or salary range for the position and attempt to reach agreement with the Union on the hourly rate or salary range within 30 working days. Should the two parties be unable to agree on the hourly rate or salary range for said classification, then the Union may submit the matter to grievance and arbitration.

Any such changes in the hourly rate or salary range for the said new classification will be retroactive to the initial establishment of the new classification in the bargaining unit.

3.03 The Employer shall not bargain with or enter into any agreement with any employee or any group of employees concerning terms and conditions of employment or any matter in

conflict with the terms of this Collective Agreement, except as expressly authorized in writing by the Union.

3.04 Persons excluded from the bargaining unit who are employed by the University on a temporary or casual basis and are performing work of the bargaining unit shall:

- (a) earn sick leave at the rate of one (1) day per month,
- (b) be paid wages at or above 90% of the classification rate in the salary schedule,
- (c) be paid vacation pay of 6% of their regular earnings for their period of employment.

These provisions do not apply to registered University, College or school students nor do they apply to temporary or casual employees who are employed on a Government grant.

ARTICLE 4 - Management Rights

4.01 The Union recognizes the power, authority, right, privilege and responsibility of the University of New Brunswick to manage the operations of the University of New Brunswick in all respects, as set out in the University of New Brunswick Act, except as specifically abridged, or modified by this Collective Agreement.

4.02 The provisions of Article 4.01 shall not be carried out in an arbitrary or discriminatory manner, and shall be subject to the grievance procedure.

ARTICLE 5 - Union Security

5.01 The Employer shall deduct, from the wages due every employee, an amount equal to the monthly membership dues of the Union, and shall not include any initiation fee or special levy.

5.02 The Employer agrees to remit to the Union the amounts deducted under Clause 5.01 on the next working day following each pay day. The Employer shall provide the Union with a list of names of the employees from whose wages such deductions have been made, and the amounts deducted from each employee's wages.

5.03 The Union shall advise the Employer, in writing, of the amount of its regular dues and the Employer shall deduct these amounts only as per these written instructions.

5.04 The Union agrees to hold the Employer harmless for any action arising out of wrongful deductions of money for Union dues, or their equivalent, resulting from the Union's instructions.

5.05 The Employer shall include, without charge, on the annual income tax (T4) slips, an indication of the sums deducted under this Article, from all employees' wages.

5.06 The Employer shall provide the Union with the following information:

- (a) a list showing the name, job title, and pay rate of each employee;
- (b) a copy of each job posting for every vacancy posted for this bargaining unit;
- (c) a copy of the appointment letter for each employee appointed to a position in the bargaining unit;
- (d) a copy of any letter to an employee concerning disciplinary action by the Employer as well as a copy of any letter to an employee concerning withholding or deferring a Progress-Through-the-Range increase as described in Article 35.14.
- (e) a copy of any job classification in the Bargaining Unit;
- (f) a copy of the agenda and the minutes, at the time of distribution, of any open meetings of the Board of Governors.

5.07 Employees will be permitted to attach the CUPE Union Label to protective head gear, tool boxes, lockers, vehicles, and other reasonable equipment. Employees will be permitted to wear CUPE Union pins on personal clothing as well as on all uniforms, shirts, coveralls, and laboratory coats supplied by the Employer. The Employer agrees to give equal prominence to the CUPE Union Logo as to its own symbol, logo, or crest in the design of covers on the printed versions of this Agreement.

5.08 The Employer agrees that:

- (a) the Union may use the campus mail service, e-mail and internal telephone service on the same basis and at the same rates as University departments;
- (b) the Union may use the Employer's duplicating, copying, printing, computing and audio-visual services on the same basis and at the same rates as University departments;
- (c) authorized Union representatives will be entitled to distribute Union literature and to convene Union meetings on the Employer's premises. Such activities shall not interfere with the normal business of the Employer;
- (d) the Union may post notices of meetings and other notices of interest to employees on the Employer's bulletin boards;
- (e) the Union will be provided, without charge, with access to meeting rooms on campus, subject to availability, and with a suitably serviced and maintained office.
- (f) the Employer will print and provide to the Union, without charge, a copy of this collective agreement for each employee plus 25 additional copies.

5.09 Employees in the bargaining unit shall have access to the Employer's file containing their personnel records during regular working hours and upon reasonable notice twice a year or when processing grievances, by making an appointment with the Office of Financial and Administrative Services. This file is a duplicate of the Employer's Official Personnel File which is maintained by the Department of Human Resources & Organizational Development. The employee will be provided with copies of material contained in the file, upon request. Employees have the right to have included in their Official Personnel File their written comments about the accuracy, relevance, meaning or completeness of the contents of their File. The Employer will correct any material determined by the Employer to be inaccurate. If the employee so wishes, they may be accompanied by a Union representative.

ARTICLE 6 – Positive Learning & Working Environment

6.01 The Parties are committed to providing a positive learning and working environment, one in which all members of its community are respectful and respected as individuals. Every member of the University community has the right to be free of harassment and discrimination when working or learning.

ARTICLE 7 – Future Legislation and the Collective Agreement

7.01 In the event that any law passed by the Legislature of the Province, applying to employees covered by this Article, renders null and void any provision of this Agreement, the remaining provisions of the Agreement shall remain in effect for the term of this Agreement.

ARTICLE 8 – Strikes and Lockouts

8.01 There shall be no strikes, lockouts or walkouts or other similar interruptions during the term of this Agreement.

ARTICLE 9 – Discipline, Suspension and Discharge

9.01 An employee may not be disciplined except for just cause and the employee shall be informed within ten (10) working days from such disciplinary action, with written reasons including relevant dates. A copy of such disciplinary action shall be sent to the Union by Human Resources & Organizational Development within the same ten (10) day period.

9.02 The following are considered forms of discipline:

- (a) written reprimand,
- (b) demotion resulting from a disciplinary action,
- (c) suspension,
- (d) discharge.

Any documented disciplinary action by the Employer is subject to grievance. Any disciplinary document issued by the Employer's representative shall be reviewed by the Office of Human Resources & Organizational Development prior to release.

9.03 When an employee alleges that he or she has been suspended without pay or discharged in violation of Article 9.01, he or she may, within ten (10) days of the date on which he or

she was notified in writing, invoke the grievance procedure, including arbitration as set out in this Agreement, for the purpose of a grievance, alleging violation of Article 9.01, he or she shall lodge his or her grievance at the final level of the grievance procedure.

9.04 Where it is determined that an employee has been disciplined by suspension without pay or by discharge in violation of Article 9.01, that employee shall be immediately reinstated in his or her former position without loss of seniority or any other benefit which would have accrued to him or her if he or she had not been suspended or discharged. One of the benefits which he or she shall not lose is his or her regular pay during the period of suspension or discharge, which shall be paid to him or her at the end of the next completed pay period following his or her reinstatement.

9.05 No suspension without pay shall be for a period of longer than ten (10) working days, except by mutual agreement of the Employer and the Union.

9.06 Where the employer notifies an employee in writing of any expression of dissatisfaction concerning his or her work, the employee's reply to such complaint, accusation or expression of dissatisfaction shall become part of his or her Personnel file.

9.07 Written documentation concerning disciplinary action by the Employer shall be maintained in the Master Copy of a Personnel File in the Office of Human Resources & Organizational Development. A duplicate file containing copies of all the material in the Master File will be available in the Office of Financial and Administrative Services on the Saint John campus. An employee may clear his or her work record by working for a period of eighteen (18) months without any further disciplinary action by the Employer. This means that after eighteen (18) months the disciplinary documents will be removed from the employee's Personnel File if no other disciplinary document has been added in the time period of eighteen (18) months following the last disciplinary action taken by the Employer.

9.08 The Employer agrees that there shall only be one official Personnel file on each employee, maintained in the Office of Human Resources & Organizational Development, and that no document relating to the employee's conduct or performance may be used against him/her in the grievance procedure nor at arbitration unless such document is part of said file.

ARTICLE 10 - Seniority

10.01 Seniority is defined as the length of service with the Employer.

An employee's service will begin from the first day of employment and shall be the cumulative amount of regular time which the employee has worked for the Employer. All seniority shall be stated in equivalent of years of service to two (2) decimal places, for example, 8.19 years. The calculation of seniority shall be prorated on the following basis:

A year of service for an employee working 40 hours per week shall be 2080 hours;

A year of service for an employee working 36.25 hours per week shall be 1885 hours;

A year of service for an employee working less than full-time hours shall be calculated on a pro-rated formula. (eg. an employee working 20 hours per week in a position with a normal work week of 40 hours will accumulate one year of service after working for two years on a half time basis).

All **hours worked excluding overtime** paid by the Employer shall be treated as time worked for the purpose of this Article, with the exception of leaves granted under Clauses 16.01, 16A.01, 18.01, 18.02, 18.03 and **19.02** where seniority will accumulate.

10.02 Seniority shall be applied **on a bargaining unit wide basis.**

10.03 An employee shall lose all seniority if he or she:

- (a) resigns, or
- (b) is dismissed, or
- (c) is laid off for more than twelve (12) months, or
- (d) fails to report for work under the recall provisions of Clause 25.02, or
- (e) retirement, or
- (f) termination of employment after specified fixed term **and is not rehired within two (2) months following the end of a specified fixed work term.**

ARTICLE 11 - Shop Steward and Union Representative

11.01 The Union shall notify the Employer in writing of the

names of all of the Union's Executive Officers and Shop Stewards, and identify the area of responsibility of each, and inform the Employer in the same manner of any changes or substitutions.

11.02 It is understood that the Union's Executive Officers and Shop Stewards have their regular work to perform on behalf of the Employer. It is acknowledged that Union representatives shall be entitled to leave their work during working hours in order to carry out their functions including the investigation and processing of grievances and attendance at meetings and arbitration. Permission to leave work during working hours for such purposes shall first be obtained from the manager of the department. Such permission shall not be unreasonably withheld.

11.03 The Union or an employee shall have the right at any time to have the assistance of a Union or CUPE representative when dealing with the Employer.

11.04 Whenever the Employer wishes to have a Union representative present when dealing with an employee, the Employer shall advise the Secretary of the Union or his or her designate, who shall appoint the appropriate Shop Steward or other representative of the Union within two (2) days.

11.05 Where the Employer or its representative intends to interview an employee for disciplinary purposes or a verbal reprimand, the Employer or its representative will notify the employee in advance, and shall inform the employee at the time of the notification of such interview, of his/her right under Article 11.03 of this Agreement at which time, if the employee wishes to have Union representation, the Employer shall contact the Union or CUPE representative. An interview is not required for the Employer to take disciplinary action.

ARTICLE 12 - Grievance Procedure

12.01 A grievance shall be defined as any difference arising out of the interpretation, application, administration, or alleged violation of the Collective Agreement.

12.02 Grievances shall be classified as follows:

- (a) **Individual grievance** shall mean a grievance involving an employee and particular to that employee.
- (b) **Group grievance** shall mean a grievance involving a group of employees and common to all employees in that group, which shall be processed as a single grievance.

- (c) **Policy grievance** shall mean a grievance initiated by the Union which has general application to the bargaining unit as a whole, or to a clearly definable group within the bargaining unit.

12.03 A grievance shall state in writing the article(s) or clause(s) of this Agreement which are alleged to have been contravened by the Employer and must also specify the remedy sought. The consideration of the grievances, including arbitration, shall be limited to such article(s) or clause(s) which the employee or Union has so alleged to have been contravened.

12.04 Preliminary Step. Within ten (10) working days after the alleged grievance has arisen, the grievance is to be submitted, in writing, to the Associate Vice-President of Human Resources & Organizational Development who will direct the grievance to either Step One or Step Two as soon as possible and in no case later than five (5) working days following receipt of the grievance. The Associate Vice-President will inform the grievor and the Union as to the appropriate Employer's representative at Step One and/or Step Two.

12.05 Grievances concerning lay-off, recall, suspension, or dismissal or any policy grievance arising directly between the Employer and the Union shall be directed to Step Two by the Associate Vice-President of Human Resources & Organizational Development.

12.06 Step One. The Employer's representative at Step One shall arrange and hold a meeting to hear the grievance within ten (10) working days of receiving the grievance. The Employer's representative shall render his or her disposition within ten (10) working days of the hearing. If the disposition does not resolve the grievance to the satisfaction of the grievor, then the grievor may proceed to Step Two.

Step Two. The grievor has ten (10) working days from the expiration of the ten (10) working day period referred to in Step One, to decide whether he or she wishes to proceed to Step Two with the grievance in those cases where the grievance has been heard at Step One. For grievances entering directly at Step Two, the grievor must file the grievance at the *Preliminary Step*. The disposition of the grievance in Step One, if applicable, and any related correspondence, must accompany the grievance submission at Step Two with a copy to Human Resources & Organizational Development and the Union. The Employer's representative at Step Two shall arrange and hold a meeting to

hear the grievance within ten (10) working days of receiving the grievance. The Employer's representative shall render his or her disposition within ten (10) working days of the hearing. If the disposition does not resolve the grievance to the satisfaction of the grievor, then the grievor may proceed to arbitration. The written notice of the grievor's wish to proceed to arbitration shall be received by the Associate Vice-President of Human Resources & Organizational Development within twenty (20) working days from the ten (10) working day time limit stated for reply or settlement under Step Two.

12.07 Either party may request, in writing, an extension of any time limit specified in this Article. Such request shall not be unreasonably denied.

12.08 In determining the time in which any step under the foregoing proceedings is to be taken, Saturdays, Sundays and recognized holidays shall be excluded. If advantage of the provisions of this Article has not been taken within the time limits specified herein, the alleged grievance shall be deemed to have been abandoned and cannot be reopened.

12.09 In any case where the grievor presents his or her grievance in person or in any case in which a hearing is held on a grievance at Step One and/or Step Two, the grievor shall be accompanied by a representative of the Union who shall be an employee and/or the local authorized Union representative.

12.10 Where the Employer has disciplined an employee and given the reason for the same in accordance with Article 9.01, then during the grievance procedure, including arbitration, the Employer shall be limited to the reasons stated in the above notification.

12.11 A probationary employee cannot grieve a dismissal under this Article.

ARTICLE 13 - Arbitration

13.01 If the Union wishes to refer a matter to arbitration as provided in Clause 12.06, it shall within twenty (20) working days therein mentioned, make such request in writing addressed to the Associate Vice-President of Human Resources & Organizational Development.

13.02 The parties agree to the use of a sole Arbitrator. If the parties to this agreement cannot agree on the Arbitrator within fifteen (15) working days, *the Minister of Advanced Education and Labour* of the Province of New Brunswick will be asked to appoint one.

13.03 The Arbitrator shall hear and determine the difference or allegation (including any question as to whether a matter is arbitrable) and shall issue a decision and the decision shall be final and binding upon the parties and upon any employee affected by it. The Arbitrator shall make every effort to render his or her decision within twenty (20) working days from the date of the final hearing.

13.04 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the grievance.

13.05 Each of the parties hereto will equally bear the expense of the Arbitrator.

13.06 At any stage of the grievance procedure, including arbitration, the conferring parties may have the assistance of the employee or employees concerned and any necessary witnesses, and all reasonable arrangements will be made to permit the conferring parties to have access to the Employer's premises to view disputed operations and to confer with the necessary witnesses.

13.07 Any and all time limits fixed by this section may be extended by mutual agreement, in writing, between the Employer and the Union. Should the individual grievance not be referred to arbitration within the time limits, it shall be deemed to have been abandoned and cannot be re-opened.

13.08 Should the parties disagree as to the meaning of the Arbitrator's decision, either party may within fifteen (15) working days after the decision is received, apply to the Arbitrator to clarify the decision.

ARTICLE 14 - Vacation

14.01 The vacation year is the calendar year, that is, January 1st to December 31st.

14.02 A regular full-time employee shall be entitled to vacation with pay in accordance with the following table, where Column A represents the number of years of accumulated service and

Column B represents the number of days of vacation entitlement for each bi-weekly pay period or part thereof prorated worked in the interval of January 1st to December 31st.

C O L U M N A	C O L U M N B
Accumulated Service In Years	Days of Vacation per Bi-Weekly Period Worked
0.00 to 7.99	.58 (15 days per year)
8.00 to 18.99	.77 (20 days per year)
19.00 or more	.96 (25 days per year)

14.03 Vacation entitlement for a regular part-time employee shall be as for a regular full-time employee except that it shall be calculated pro rata based on the fraction of time worked.

14.04 Decimal vacation entitlement shall be rounded off to the nearest whole number, for example, 8.49 becomes 8 days and 8.50 becomes 9 days.

14.05 For the purposes of earning vacation credits, any absence from work with pay with the exception of leaves granted under Clauses 16.01 and 16A.01 shall be deemed to be time worked.

14.06 For the purposes of this Article, accumulated service means seniority as determined in accordance with Article 10.

14.07 A probationary employee whose employment is terminated shall receive vacation pay of 6% of his or her regular earnings for the period of employment.

14.08 Vacation schedules shall be in accord with the continued efficient operation of each department and insofar as it is practicable, will be scheduled at the time requested by the employee, taking into consideration his or her seniority (see Memorandum of Agreement # 8). When an employee is denied vacation at the time requested, the Employer shall return the vacation form to the employee with written reasons for refusal.

14.09 An employee may carry forward up to ten (10) days of vacation entitlement from one vacation year to the next provided the employee notifies the Employer, in writing, prior to the end of the vacation year. Any unused vacation credits in excess of the aforementioned ten (10) days will be either, at the discretion of the Employer, paid in cash at the end of the calendar year or be arbitrarily assigned to the employee by the Employer for use in the next vacation year.

Notwithstanding the above, the Employer may approve additional vacation carryover in circumstances where the employee is unable to take his or her vacation within the calendar year due to illness or accident.

14.10 On a termination of employment, the employee shall be compensated for vacation entitlements earned in the current year but not taken. If the vacation time taken by the employee is in excess of entitlement, the employee will reimburse the Employer accordingly.

14.11 Where an employee qualifies for sick leave (by providing a medical certificate) or bereavement leave during the period of vacation, there shall be no deduction from vacation credits for such absence. The period of vacation so displaced shall be reinstated for use at a later date.

ARTICLE 15 - Sick Leave

15.01 A probationary employee shall be eligible for the Revised Sick Leave Policy for Probationary Staff Employees. (See attached Memorandum of Agreement).

15.02 Except as provided in Clause 15.05, upon completion of his or her probationary period, a regular full-time or regular part-time employee shall be considered to be vested with 6 months sick leave at regular pay.

15.02A An employee is eligible for sick leave with pay when unable to perform his/her duties because of illness or injury and submits proof when requested in accordance with article 15.03.

15.03 The Employer has the right to request a medical certificate containing sufficient medical information to determine if paid sick leave is warranted in cases where the employee is absent due to illness or injury. A request for such a medical certificate shall be made in writing with a copy to Human Resources & Organizational Development who shall provide a copy of the request to the Union. Medical information will not normally be requested for an absence of three (3) days or less and will normally be requested to be supplied at the commencement of or during the absence.

The Employer reserves the right to request a second medical opinion which will normally be requested to be supplied at the commencement of or during the absence and shall pay for any

expenses incurred by the employee in securing such additional medical evidence.

15.03A The Employer recognizes the need for confidentiality of health and medical information on employees. The Employer will not permit any access to such information except on a strict "need to know" basis and then only by those individuals whose specific responsibilities make such access necessary.

Those individuals having such access will ensure its confidentiality.

15.04 An employee shall be responsible to notify his or her department at or before the beginning of his or her shift or work day of any illness which will prevent him or her from performing his or her work. The employee will be responsible for keeping his or her supervisor informed as to the status of his or her health during the period of absence and the expected date of return to work.

15.05 Where an employee is entitled to receive compensation under the Workers' Compensation Act, the employee will not be eligible for Sick Leave.

15.06 Abuse of the sick leave policy will result in disciplinary action.

15.07 Where an employee is unable to schedule necessary medical and dental appointments on his or her own time, leave with pay will be granted for such appointments. It is understood that, where possible, the employee will arrange such appointments at a time which is least disruptive to the employee's work unit.

ARTICLE 16 - Maternity Leave

16.01 Upon written request on the appropriate form by a pregnant Employee, the University shall grant maternity leave consistent in timing and duration with the Employment Standards Act of New Brunswick. The application is to be made no later than two (2) weeks prior to the date that she intends to begin her leave and should specify the duration of the leave. A medical certificate specifying the expected date of delivery is to be attached to the application.

16.02 A pregnant employee may wish to continue working up to the expected date of delivery and may do so, if in the opinion of her physician she is able to fulfill her normal job responsibilities. No pregnant employee will be allowed to work in an area that may be hazardous to her health or to that of her child. The employee may be transferred by the Employer if appropriate alternate employment is available.

16.03 An early return to work, following delivery, will require a medical certificate indicating that the employee is medically fit for work.

16.04 Following the period of maternity leave, the employee will normally return to her former position. If this is not possible, she will be placed in an equivalent level of position.

16.05 A period of maternity leave may be extended by applying for an unpaid leave of absence under Article 18, Parental leave under Article 16A or by taking vacation time, if approved by the Employer. Such a request will not be unreasonably refused.

16.06 Upon completion of the initial probationary period of continuous employment, a female employee who provides the Employer with proof that she has applied for and is eligible to receive Employment Insurance benefits, shall be paid a maternity leave allowance in accordance with a plan registered with the Canada Employment Insurance Commission as a Supplementary Unemployment Benefit Plan (S.U.B.).

16.07 Under the provisions of the S.U.B. plan, the Employee's salary will be maintained at 95% of her regular weekly earnings for a maximum of 17 weeks of maternity leave. This plan allows the Employer to make up the difference between the C.E.I.C. maternity leave benefits up to 95% of the Employee's regular weekly earnings. The Employee is required to apply for the C.E.I.C. maternity leave benefit and must be eligible for the benefit for this plan to apply (as specified in the appropriate sections of the Employment Insurance Regulations). Contributions to the pension and benefit plans shall continue on the part of the Employee and the University on the basis of 100% of salary.

In any week, the total amount of S.U.B. employment insurance gross benefits and any other earnings received by the employee will not exceed 95 per cent of the employee's normal weekly earnings.

The Employee will be asked to submit her benefit stub to verify her receipt of E.I. benefits and other earnings.

16.08 Employees have no vested right to payments under the plan except to payments during a period of unemployment specified in the plan (57 (13(h) of the E.I. Regulations).

16.09 Payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

16.10 Employees must apply for and must be in receipt of employment insurance benefits to receive payments under the plan.

16.11 An employee who receives a Maternity Leave Allowance is required to return to work at the University for a period of time equivalent to the length of the leave. In the event that the employee terminates employment prior to completion of this period of time they shall be required to reimburse the University the amount of the Maternity Leave Allowance on a pro-rated basis.

The Employer may choose to waive this requirement where circumstances warrant. Examples of circumstances where the Employer may choose to waive this requirement include the transfer of a partner or legitimate health related issues.

ARTICLE 16A - Parental Leave

16A.01 Upon request on the appropriate form by an Employee

- a) who is the biological parent of a newborn or unborn child, or
- b) who is adopting or has adopted a child,

the University shall grant parental leave consistent in timing and duration with the Employment Standards Act of New Brunswick. Subject to the Act, such leave may be taken wholly by one, or shared by two, employed parent(s). Where an Employee takes parental leave in addition to maternity leave pursuant to Article 16, the Employee must commence the parental leave immediately on the expiry of maternity leave, unless the University and the Employee agree otherwise. Parental leave by the employee must be taken in one consecutive time period and not split up.

16A.02 The Employee will advise the University in writing of the expected date of delivery/adoption and of his/her intention to take parental leave including the anticipated commencement date and duration of such leave as early as possible. It is recognized that there may be very little notice provided by an adoption agency; however, it is expected that the Employee will provide as much notice to the Department as is possible as to the length of the parental leave and the date that the leave will begin.

16A.03 Upon completion of the initial probationary period of continuous employment, an employee who provides the Employer with proof that she/he has applied for and is eligible to receive Employment Insurance benefits, shall be paid parental leave allowance in accordance with the Supplementary Unemployment Benefit Plan (S.U.B.).

The Employee's salary will be maintained at 95% of regular weekly earnings for up to a period of up to a maximum of 37 weeks parental leave in accordance with the terms of the Supplementary Unemployment Benefit Plan (S.U.B.). This plan allows the Employer to make up the difference between the E.I.C. parental leave benefits and 95% of the Employee's regular weekly earnings. The Employee is required to apply for the E.I.C. parental leave benefit and must be eligible for the benefit for this plan to apply. Contributions to the pension and benefit plans shall continue on the part of the Employee and the University on the basis of 100% of salary.

In any week for which S.U.B. is payable, the total amount of S.U.B. unemployment insurance gross benefits and any other earnings received by the employee will not exceed 95 per cent of the Employee's normal weekly earnings.

The Employee will be asked to submit his/her benefit stub to verify receipt of E.I. benefits and other earnings.

For an employee who takes both maternity and parental leave, the combined maximum leave period for the S.U.B plan top up shall be 52 weeks.

16A.04 Employees have no vested right to payments under the plan except to payments during a period of unemployment specified in the plan (57 (13(h) of the E.I. Regulations).

16A.05 Payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits

are not reduced or increased by payments received under the plan.

16A.06 Employees must apply for and must be in receipt of employment insurance benefits to receive payments under the plan.

16A.07 An employee who receives a Parental Leave Allowance is required to return to work at the University for a period of time equivalent to the length of the leave. In the event that the employee terminates employment prior to completion of this period of time, they shall be required to reimburse the University the amount of the Parental Leave Allowance on a pro-rated basis.

The Employer may choose to waive this requirement where circumstances warrant. Examples of circumstances where the Employer may choose to waive this requirement include the transfer of a partner or legitimate health related issues.

16A.08 Following the period of parental leave, the employee will return to his/her former position. If this is not possible, he/she will be placed in an equivalent level of position.

ARTICLE 21 - Hours of Work

21.01 The normal work day and work week for employees is seven and one-quarter (7-1/4) hours per day and thirty-six and one-quarter (36-1/4) hours per week, normally scheduled in the period of Monday through Friday. However, for some employees the normal work day and work week is eight (8) hours per day and forty (40) hours per week.

Except for shift workers, the normal work day shall commence after 7:00 a.m. and end before 6:00 p.m. Beginning March 7, 1994, normal office hours for a thirty-six and one-quarter (36-1/4) hour work week will be 8:15 a.m. to 4:30 p.m. with a noon break of one hour. For the period from the first working day following Victoria Day until the last working day prior to Labour Day, normal office hours will be 8:00 a.m. to 4:00 p.m. with a noon break of forty-five (45) minutes. It is understood that some employees may be scheduled work on Saturdays, Sundays, in the evenings or hours other than normal office hours. This will depend upon the operational requirements of a particular work area.

Two breaks of fifteen (15) minutes each will be allowed during each work day. One break will be taken in the first half of the work day and the second break will be taken in the second half of the work day. The times for the breaks will be at the discretion of the Employer.

A day, for pay purposes, is a twenty-four (24) hour period beginning at 12:01 a.m. and ending at 12:00 midnight. A week, for pay purposes, is a seven (7) day period beginning at 12:01 a.m. on Sunday and ending at 12:00 midnight on Saturday.

21.02 At the occasion when the time changes from Standard Time to Daylight Savings Time, employees working the evening or night shift shall each work seven and one-half (7-1/2) hours and be paid for eight (8) hours at straight time.

At the occasion when the time changes from Daylight Savings Time to Standard Time, employees at the Heating Plant working the evening or night shift shall each work eight and one-half (8-1/2) hours and be paid for eight (8) hours at straight time and one-half (1/2) hour at overtime rates.

21.03 The Employer shall prescribe hours of work for employees and where operational requirements permit shall post these in advance. **If the Employer changes the normal scheduled work hours and/or days for an employee, it shall provide the employee ten (10) working days notice, save and except the offer of additional hours as per Article 22.**

21.04 Nothing in this Article shall constitute a guarantee of hours of work.

21.05 When operational requirements permit, an employee may request to exchange work for time-off, or time-off for work at straight time rates if a mutually agreed time can be arranged between the Employer's representative and the employee. No time-off shall be taken unless the Employer's representative has previously approved the arrangement.

It is understood by the parties that requests to exchange work for time off, or time off for work must be initiated by the employee.

21.06 The Parties agree that the University will continue to operate a 12 hour shift schedule for the Shift Engineers in the Central Heating Plant subject to the following terms and conditions:

- a. The twelve hour shifts will involve working 240 hours over a six week cycle. The actual hours worked within the six (6) week cycle will range from 36 hours weekly to 48 hours weekly depending on the approved roster. However, Shift Engineers will be paid for 80 hours in each bi-weekly pay period. The twelve hour shift schedule will remain in effect throughout the normal heating season but may be altered during the period the University is on summer hours.
- b. Operational requirements permitting each individual Shift Engineer will normally have a schedule consisting of working consecutively two (2) days and two (2) nights with four days off which will remain constant throughout the six (6) week cycle. Since the schedule is based on a six (6) week work period of 240 hours, those operators scheduled for more than 240 hours during the six week period must select two twelve hour shifts during that period as time off without pay during each six week cycle. The selected days off must be consistent with the operation of the Central Heating Plant and the remaining Shift Engineers. A Shift Engineer may choose to work the extra twelve hour shift(s) at straight time and bank the shift for use at a mutually agreed later time. A Shift Engineer may only bank a maximum of 4 shifts.
- c. Overtime hours will be defined as those hours worked in excess of the 240 hours scheduled during the full six (6) week cycle and will be paid on those hours worked in excess of the Shift Engineer's normal hours of work as scheduled on the approved roster. Overtime hours will normally be paid on the pay date following submission of the appropriate forms.

- d. A vacation day will be the equivalent of eight (8) paid hours (to use vacation credits for a 12 hour day will mean requesting 1-2 vacation days).
- e. Sick leave will be as per Article 15 of the Collective Agreement.
- f. Vacation carry-over will be for up to 80 hours.
- g. Other Leaves as described in Articles 17 and 18 will be applied based on the number of days allowed. (One twelve hour shift would be equivalent to 1-1/2 days).
- h. For those employees required to replace an absent Shift Engineer, overtime will be paid for those hours worked in excess of the 40 hours per week unless the employee is assigned to the absent Shift Engineer's shift for four (4) days or more in which case overtime will be paid only if the average weekly hours for the time worked as a Shift Engineer exceed 40.
- i. During the twelve hour shift, employees will be scheduled for two on-site 30 minute paid meal periods and two on-site 15 minute paid rest periods. During those periods, the employee will be required to check plant operations when required and respond to situations requiring immediate attention.
- j. During a six (6) week cycle, Shift Engineers will normally be paid for 240 hours. Where a Shift Engineer is scheduled to work on a paid holiday (as defined in Article 20.01) he or she will receive overtime pay at the rate of time and one half for the hours worked on the holiday plus eight (8) hours at straight time for the paid holiday. Personnel on their normal day off will receive 8 hours pay for the holiday.
- k. Holidays are dealt with in Article 20B.
- l. On the occasion when the time changes from Standard Time to Daylight Savings Time, Shift Engineers working the night shift shall work eleven hours and be paid for twelve hours at straight time.
- m. On the occasion when the time changes from Daylight Savings Time to Standard Time, Shift Engineers working the night shift shall work thirteen hours and be paid for twelve hours at straight time and one hour at overtime rates.

ARTICLE 22 - Overtime

22.01 Hours worked by employees in excess of their normal working hours, as defined in Clause 21.01, shall constitute overtime hours.

22.02 (a) Overtime must be authorized in advance by the Employer.

(b) In the case of the following classifications - Utility Worker, Shift Operator, Trades Classifications and Equipment Manager - the following applies:

- (1) within the feasibility of operational requirements and immediate availability of qualified employees, overtime will be allocated on an equitable basis.
- (2) the overtime record and log of employees contacted for overtime work will be open to examination by employees or the Union on request.

22.03 Overtime hours shall be paid at the rate of time and one-half or may be granted as equivalent time off at a mutually agreed time. Prior to working the overtime hours, the employee shall choose pay or time off. This choice will not affect the offer of overtime. Where the time off cannot be scheduled within sixty (60) days of the end of the pay period in which the overtime was worked, payment shall be made.

22.04 For those employees working in the following classifications - Trades Classifications, Utility Worker, Building Operator, Mechanical Technician and Equipment Manager - the minimum call out time shall be three (3) hours at time and one-half, provided that the period of overtime worked by the employee is not adjoining to his or her scheduled shift. A callout will be to deal with immediate situation(s) as opposed to regular maintenance or administrative duties that do not pertain to the immediate situation(s).

22.05 The Employer will provide meals or reimburse the employee based on the amounts specified in Article 22.07 if reasonable meal facilities are not available on campus to employees working overtime when:

- (a) an employee is called in two (2) hours or more prior to his or her regular shift and the employee is required to continue working until the beginning of the shift, the employee will be provided with a meal ticket for breakfast and thirty (30) minutes paid time provided for the meal.
- (b) in the p.m. when the employee is required to work for two (2) hours or more after his or her regular shift without a minimum sixty (60) minutes time off (unpaid) for a supper break, a meal ticket will be issued and thirty (30) minutes paid time allowed for the meal.

22.06 When an employee is called in on a normal day of rest prior to 6:00 a.m. and required to continue working beyond 8:00 a.m., a meal ticket will be provided for breakfast. When an employee is called in on a normal day of rest and is required to continue working beyond 12:00 noon, a meal ticket will be provided for lunch. When an employee is called in on a normal day of rest and required to continue working beyond 5:00 p.m., a meal ticket will be provided for supper. In all cases thirty (30) minutes paid time will be allowed for the meal.

22.07 The following procedure is used in the Heating Plant when an employee is required to work overtime:

- (a) if an employee is required to remain on duty following his or her regular shift and is unable to leave the Plant to obtain a meal, the employee may order a dinner to be delivered from a local restaurant for which the employee will be reimbursed to a maximum of \$11.00 for supper, \$8.00 for lunch and \$5.00 for breakfast, plus applicable taxes plus transportation costs. Since shift work in the Heating Plant is of a continuous nature, the meal would be consumed as time permitted.
- (b) if an employee other than a shift operator is called in to work two (2) hours or more prior to his or her regular shift or is required to remain two (2) hours or more after their regularly scheduled shift, the employee is provided with a meal ticket for use on campus or may purchase a meal and submit a receipt for reimbursement up to a maximum of \$11.00 for supper, \$8.00 for lunch and \$5.00 for breakfast, plus applicable taxes plus transportation costs. In these cases the employee will be provided with a thirty (30) minute paid meal break.

22.08 It is also understood there may be exceptions to the above when the Employer may provide meals to minimize inconvenience to employees who have been required to work overtime.

22.09 The Employer's Daily Meal Allowance rates shall apply to those meal times where the employee is required to travel outside the City of Saint John on the Employer's business. These rates shall be posted in appropriate areas.

ARTICLE 23 - Employment Opportunities

23.01 Employment Opportunities shall be posted on the Employer's bulletin boards for any position vacancy within the

bargaining unit and the position requirements shall be relevant to the position duties. However, if the position is to be filled by an employee about to be laid off or recalled from lay-off, then the Employer may fill the position without posting. Applications for posted positions are to be submitted to the Office of Human Resources & Organizational Development or the Office of Financial and Administrative Services (SJ) on the form provided by the Employer.

23.02 Selection for a posted position shall be made on the basis of qualifications, skill and ability. Where these are equal, seniority shall be the deciding factor. In taking into account an employee's qualifications, skill and ability, the University will consider any relevant training taken, temporary assignments performed by the employee, voluntary work or other relevant methods of enhancing job skills relating to the posted position.

23.02A Should a member of the Bargaining Unit apply for a vacant Bargaining Unit position and that member have the qualifications, skill and ability to perform the duties, that employee shall be granted an interview.

23.02B If an employee is granted an interview for a bargaining unit position or a position posted under memo #7 but is not awarded the position, he/she shall be provided the opportunity to meet with Human Resources. The employee shall be provided his/her competition file and the rationale as to why an alternate candidate was selected.

23.02C It is Human Resources' intention to be present during the selection process when requested by the executive of the Bargaining Unit.

The Committee also agrees that the following will occur;

1. The Parties will jointly develop a hiring information package.
2. Human Resources will provide workshops to those involved in the hiring process and to those B/U employees interested in the process.
3. Human Resources will continue to ensure that the posting is properly presented.
4. Human Resources will continue to recommend a short list of qualified employees.

23.03 Each successful applicant shall receive an appointment letter setting out the terms of the appointment. In cases of a new

employee, the Employer shall enclose a copy of the current Collective Agreement with the appointment letter. The Employer also agrees to arrange an introduction of the new employee to the appropriate Union official.

23.03A Any person hired in a posted position vacancy that is contested through the Grievance and Arbitration process will not be considered as a regular employee until the dispute is settled. Should the grievor be successful in either the Grievance or Arbitration process, the original successful applicant will be removed from that position and, if the original successful applicant comes from within the Bargaining Unit, he/she shall return to their previous position and other employees shall revert as necessary.

23.03B An employee selected to a posted position vacancy will be advised by the Employer if a grievance is filed against their selection to that position.

23.04 Should the Union wish to obtain further information concerning the filling of a posted vacancy, then a meeting will be arranged with the HR Consultant (Employment), Human Resources & Organizational Development or his or her designate and all applications will be reviewed. Copies of internal applications will be provided to the Union upon request. If the successful applicant comes from outside the bargaining unit, a copy of the application will be provided to the Union upon request.

23.05 An employee who is promoted may have a trial period of up to 90 days worked and if he or she is not confirmed in his or her new position within such period he or she shall revert to his or her former position and other employees shall revert as may be necessary. The trial period may be extended once by mutual agreement between the Parties, for a further period not to exceed 90 days worked should circumstances warrant.

23.06 Notwithstanding Article 3.06, the Employer shall notify the Union in writing of any Bargaining Unit position vacancies within twenty (20) working days of the position being vacated.

When a position vacancy occurs, the Bargaining Unit shall have ten (10) working days to provide written input to the Employer on the reasons why the vacated position should be posted and filled as a bargaining unit position.

The Employer shall, in writing, notify the Union of its decision concerning the status and nature of the work of the vacated position.

23.07 A position that is currently in the Bargaining Unit which becomes vacant and is being filled on a term basis for a period of six (6) months or more will be posted as a bargaining unit position, with the understanding that the following will apply;

- 1) If the term position is filled by a current Bargaining Unit member, that member would revert to their own position at the end of the term.
- 2) There would be no impact to pensions/benefit eligibility.
- 3) No bumping would arise from this between holders of other term positions.
- 4) When possible, two (2) weeks notice would be given re: changes to the duration of the term.
- 5) If the position is to be filled on-going, it will be posted as per normal posting procedures.

ARTICLE 24 - Hiring and Placement of Relatives

24.01 It is understood and agreed that an appointment, transfer or promotion shall not be made where a candidate may be placed in a position where the conditions of employment or any other matter affecting employment may create a potential conflict of interest. The decision to deny the appointment, transfer or promotion on this basis shall be made by the Vice-President (Saint John).

ARTICLE 25 - Lay-Off

25.01 In the event that the Employer discontinues a position or positions in a particular job classification, then the employees with the least seniority (as defined by **Article 10.01**) shall be laid off first. However, if these employees have more seniority than employees in **the same or lower Pay Levels**, and they are qualified for the positions, then they may elect to move to the **same or lower Pay Levels** (with that applicable pay rate) as identified by the Employer and the employees with the least seniority shall be laid off.

In exercising options under this article, a full-time employee may displace a full-time or part-time employee. A part-time employee may only displace another part-time employee.

In the event that a vacancy occurs within the bargaining unit, for which an employee who is about to be laid off is qualified, then the Employer may transfer this employee without posting the job. In this case, there will be a trial period of up to six (6) months in the new job. If the employee is not successful, then he or she will be laid off.

25A.01 The employer agrees that for the duration of this contract, no employee who has eight or more years seniority, shall be laid off or have their regular hours of work and regular earnings reduced because of contracting out.

25.02 Recall shall occur in the reverse order of lay-off, as stated in Clause 25.01. The Employer shall notify the Union when an employee is being recalled under this Article and the Union accepts the responsibility for location and notification of the employee. ARTICLE 35 - Job Evaluation and Salary Administration

35.01 The Parties agree that a Joint Job Evaluation Committee consisting of two (2) employees named by the Union and two (2) persons named by the Employer shall continue to function as required by sections 35.02 and 35.05. Each Party shall also name an alternate member. In addition to reviewing the Job Evaluation Manual and considering position appeals, the Parties may jointly agree to refer other matters to the Joint Job Evaluation Committee.

35.02 The Parties agree that the job evaluation factors and point ratings contained in the Job Evaluation Manual, as mutually amended from time to time by the Joint Job Evaluation Committee, will be used to evaluate all positions covered by the Bargaining Unit.

35.03 An employee may request review of his or her job evaluation by obtaining a Reclassification Request form from the Office of Human Resources & Organizational Development, or the Human Resources Assistant SJ, completing the form and submitting it to his or her Supervisor. The Supervisor is to complete his or her section of the form as is the Dean, Director or Head of Administrative Unit concerned. The request form is then forwarded to the HR Consultant (Salary Administration), Office of Human Resources & Organizational Development.

35.04 The HR Consultant (Salary Administration), Human Resources & Organizational Development, shall review the request and shall communicate the results to the employee, the appropriate manager and the Human Resources Assistant SJ.

35.05 The employee may appeal the results of the review within two months of receiving the results by resubmitting his or her request to the Joint Job Evaluation Committee on the appropriate form. This would be done in the same manner as the original request. The decision of the Joint Job Evaluation Committee shall be final and binding and is not subject to the

grievance and arbitration procedure. A change in the classification will require a majority of the four (4) members of the Committee. Where the Joint Job Evaluation Committee has rendered a decision on an employee's appeal, the Committee shall only entertain a subsequent appeal from the same employee on the same position when a minimum of twelve months have elapsed from the date of the Committee's previous decision.

35.06 Incumbents of positions, covered by this Agreement, which are reclassified to a **Pay Level** having a maximum lower than the employee's current **Pay Level** shall be identified as "Red-Circled". Such identification shall continue until the position is vacated or until the maximum of the reclassified position, as revised from time to time, becomes greater than the current salary of the employee. This means that the employee's salary will be brought into his or her range over a period of time.

For greater clarity, employees identified as "Red-Circled" shall not be eligible to receive a progress-through-the range increase but shall be eligible to receive one-half (1/2) of the applicable group economic increase. If the salary range of the Red Circled employee is increased due to a position review or promotion, the employee would not receive a salary increase unless the new salary range exceeded his or her present salary.

35.07 Incumbents of positions, covered by this Agreement, which are reclassified to a **Pay Level** having a higher maximum than the former **Pay Level**, or an employee who is successful in applying for a position in a **Pay Level** having a higher maximum than the former **Pay Level**, shall receive an adjustment of 5% or be adjusted to the minimum of the new **Pay Level**, whichever is the greater.

35.08 The effective date of a salary change resulting from a reclassification **to either a higher or lower Pay Level** will be the documented date of the request for reclassification. For purposes of implementing the salary change the date of implementation will be the start of the nearest bi-weekly pay period.

35.09 On initial appointment, a new employee's starting salary within the appropriate salary range will be determined by the Department of Human Resources & Organizational Development in consultation with the hiring department. The salary offer will be made by Human Resources & Organizational Development and will take into account the individual's relevant formal education

and related work experience in relation to the qualification requirements for the particular position.

35.10 (a) When the Employer temporarily assigns an employee other than those noted in Clause 35.10 (b) to a job at a higher pay level for a specified period of time in excess of one (1) week where the employee performs the duties of the higher level job, then the Employer will adjust the employee's salary by 5% for the period worked or to the minimum of the salary range of the higher pay level, whichever is greater.

(b) An employee working in the following classifications -Trades Classification, Utility Worker, Shift Operator and Equipment Manager - who is temporarily assigned from his or her regular job for one-half (1/2) day or more shall be paid the standard hourly rate of the job to which he or she has been transferred effective from the time of such transfer, provided such rate is not less than that of his or her regular job, and provided further the employee assumes full responsibility of the job under normal supervision. If the temporary assignment exceeds a time period of one hundred and eighty (180) calendar days with the exception of assignments replacing employees on sick leave, long-term disability or maternity, adoption and child care leave, that employee shall be appointed to that higher classification. Employees elected for such temporary assignments shall be selected within the Department on the basis of qualifications, ability and seniority.

35.11 Employees will have access to an electronic itemized statement with their pay showing all earned wages and deductions from their pay. Employees who request a written statement of earnings and deductions on an on-going basis, are to receive a written statement.

35.12 All new employees will be paid on the bank deposit payroll system. All employees will advise the Employer of their financial institution account number in which they wish to have their pay deposited by the deadline established by Human Resources & Organizational Development.

35.13 Pay day for employees shall be every second Friday for the preceding two weeks.

35.14 The anniversary date of an employee shall be the date of appointment or the date of promotion, whichever is more recent. For purposes of providing increases on the anniversary date the effective date of the increase shall be the

commencement of the closest pay period.

An employee whose salary is below the maximum rate for the position may have his or her salary increased within the salary range for the position in recognition of gained satisfactory work experience on an annual basis. (Progress-Through-the-Range Increase). This will normally be done in connection with the employee's anniversary date. The experience adjustment shall be 4% of salary unless that amount would exceed the employee's salary range in which case the amount shall be the difference of the employee's present salary and the maximum of the salary range.

If the employee's anniversary date falls on the same date as an economic adjustment of the salary range, the employee's increase within the range shall be considered to be subsequent to the economic adjustment.

The Department may approve or withhold an experience adjustment by submitting the appropriate forms to Human Resources & Organizational Development. Should the Department wish to withhold an experience adjustment to an employee whose performance is not satisfactory, Human Resources & Organizational Development should be consulted prior to submitting the forms.

An employee whose performance is not satisfactory and who was not granted an increase within the salary range on their anniversary date may be granted an equivalent increase at a later date which would be effective on the documented date the approval was granted.

ARTICLE 36 - Salary Increases

36.01 The salary and salary range for each employee in effect on **June 30, 2012** will be adjusted by an economic increase of **50 cents** on **July 1, 2012** except for those employees who are Red-Circled who shall receive **25 cents** to their salary.

36.02 The salary and salary range for each employee will be adjusted by an economic increase of **2.5** percent on July 1, **2013**, except for those employees who are Red-Circled who shall receive **1.25** percent to their salary.

36.03 The salary and salary range for each employee will be adjusted by an economic increase of **2.5** percent on July 1,

2014, except for those employees who are Red-Circled who shall receive **1.25** percent to their salary.

36.04 The salary and salary range for each employee will be adjusted by an economic increase of **2.5** percent on July 1, **2015**, except for those employees who are Red-Circled who shall receive **1.25** percent to their salary.

36.05 Employees not at the maximum of their salary range will be eligible for an annual Progress-Through-the-Range increase under the conditions described in Article 35.14.

ARTICLE 37 - Shift Premium

37.01 Effective the date of signing any employee who is assigned to a shift other than the normal day time shift and the majority of whose hours are scheduled between 7:00 p.m. and 7:00 a.m., shall receive a shift differential of sixty-five cents (65¢) per hour, with the one-half hour meal period during the shift considered as paid working time.

ARTICLE 37A - On-Call Pay

37A.01 Effective the date of signing, a Facilities Management employee who is specifically assigned to be on-call shall receive on-call pay at the rate of \$1.50/hr for the assigned on-call hours. During the on-call period, the employee shall be able to be contacted, handle work related problems by telephone and be able to report to work as quickly as possible.

(a) a renewal or revision of this Agreement or a new Agreement is signed; or

(b) a lawful strike or lockout occurs in accordance with the provision of the Industrial Relations Act.

38.02 Further to Article 38.01, the Parties agree that the Union **or the Employer** may provide notice to bargain and initiate bargaining on or after January 1, **2016**.

Subject: Vacation Approval and Article 14.08

The Parties agree that Article 14.08 may be applied in the following manner:

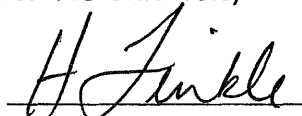

- the department, primarily for peak vacation periods such as Christmas break, March break and July and August, may ask employees to submit their vacation requests a minimum of two months prior to the peak period. If operational requirements permit, seniority will then be the deciding factor. Those vacation requests would be considered within 14 (fourteen) days of the deadline established (eg. If the deadline is three months prior to the peak period, the requests would be considered within 14 days of the three month deadline). An employee may still submit a vacation request after the deadline and it will be considered based on the operational requirements of the Department but after the initial requests were considered.
- in rare circumstances, a Department may approve a vacation request in advance of the deadline if the employee is required to make special plans normally involving non-refundable reservations.

APPENDIX A

GROUP INSURANCE BENEFITS

The Group Insurance Policies described below, and the New Brunswick Public Service Superannuation Plan described in Clause 28.01, form the core of the UNB Fringe Benefits Program. All regular full-time employees become members of these policies upon completion of their probationary periods, and retain the protection of these policies for themselves and their families so long as they are employed by the University.

Fringe Benefits Policy at the University of New Brunswick is developed and controlled by the *Fringe Benefits Review Committee*. This committee, upon which CUPE Local 3339 has representation, reports directly to the President and is composed of University administrators and representatives of each employee group at the University. The Vice-President (Finance and Administration) is Chairman of this Committee. The day-to-day administration of fringe benefits policies is the responsibility of the HR Consultant (Benefits and Pensions) in the Department of Human Resources & Organizational Development, to whom all inquiries concerning fringe benefits should be directed.

1. **Group Health Insurance:** This plan is designed to be supplementary to NB Medicare. In general terms, the Plan pays the whole costs of common medical expenses, including prescription drugs, semi-private hospital accommodation, private duty nurses, local ambulance services, and out-patient hospital services. The Plan also covers a large portion of the expenses attendant upon vision care, prosthetic appliances, private hospital rooms when necessary, and other major health care expenses. Members of this plan are insured while travelling anywhere in the world, and are covered for charges incurred for transportation when it is necessary to receive treatment out of the province. Parents or guardians who must accompany insured children for such out-of-province treatments are reimbursed under this plan for a portion of their transportation, hotel, and meal expenses. Continuous part-time employees are also eligible to become members of this plan.
2. **Group Life Insurance:** Coverage under this policy is based on an employee's annual salary. In the event of the death of an employee with no eligible dependents, the beneficiary would receive a lump sum payment equal to the employee's annual salary at the time of

death. In the event of the death of an employee with spouse and eligible dependent children, the beneficiary receives the same lump sum. Additionally, the surviving spouse receives 25% of that salary until his or her death, regardless of remarriage. Each child (to a maximum of 3 children) would receive 5% of that salary, until reaching the age of 21 (or 24 if a full-time student). In the event of the death of an employee with eligible children but no spouse, the lump sum would be paid to the appointed beneficiary and 25% of the annual salary divided among up to 3 eligible children until they reach the age of 21 (or 24 if full-time students). Continuous part-time employees are also eligible for coverage under this plan.

3. **Long-Term Disability:** In the event of total disability due to illness or injury, the insured employee would receive a monthly benefit that is equal to 75% of the first \$1,041.67 of gross monthly salary plus 45% of the next \$3,541.67 of gross monthly salary and 40% of the remainder of gross monthly salary. The monthly LTD benefit will be reduced by any income entitlement payable from the following sources:
 - a) disability benefits payable under the Canada Pension Plan
 - b) any earnings continuation, pension, group life insurance or other employee benefit plan arrangement sponsored or continued to by the Employer
 - c) disability benefits payable under a union, co-operative, fraternal or other association of which the employee is a member.
 - d) any earnings recovered through a legal action, in accordance with a third party liability.

If the total monthly amount of disability income from the above sources exceeds 80% of the employees pre-disability gross monthly earnings, the LTD benefit will be reduced by the amount of such excess. The waiting period for long-term disability benefits is six months, during which time the employee receives full salary under the University's Short-term Sick Leave Policy as described in Article 15. So long as the employee is unable to perform the duties of his or her position, LTD benefits will continue for up to 24 months. If, after 24 months, the employee is totally and permanently disabled, such benefits may continue until the employee reaches the age of 65.

4. **Group Accident Insurance Plan:** Is an optional plan where the premiums are paid by the employee to provide insurance coverage for accidental death and dismemberment.
5. **Dental Plan:** This is a compulsory dental care program for all regular full-time and regular part-time employees and their dependents except that employees who have dental coverage under a spouse's plan may waive coverage if they so choose.

NOTE:

This appendix is for information purposes only. Administration of the benefits is dependent upon the master policies.

APPENDIX B**STAFF TRAINING, DEVELOPMENT AND TUITION
BENEFIT POLICY AND PROCEDURE**

The University of New Brunswick wishes to encourage its employees to further develop their job skills so that they may strive for a higher level of accomplishment in their present positions and aspire to reach a higher level of job responsibility within the University.

In no case, will the amount of tuition benefit for an employee, spouse or eligible child, exceed 50% of the regular tuition cost for an undergraduate degree program in that faculty. For single, credit courses, the amount of tuition benefit will be determined by using the regular tuition fee for an undergraduate course. If an individual is enrolled in a cost recovery program not affiliated with a particular Faculty, the tuition benefit will be based on program/course fees for programs/courses for the Faculty of Arts.

Credit Courses (Employees)**POLICY**

Subject to the limitation, the University may waive tuition fees for up to two full UNB credit courses per year (1st September to 31st August) for University employees.

ELIGIBILITY

This policy applies to regular full-time support and academic members who are employed, or are expected to be employed, for 12 months or more.

GENERAL

Employees may audit or enroll for credit in a course in the regular academic year, Intersession, Summer School, Extension and the School of Graduate Studies and Research.

Employees are expected to take courses outside of their normal hours of work.

Employees may find that certain courses they require are offered only during their normal hours of work. In this case, employees are expected to make up the time lost. The approval to take courses will take into account the department's ability to accommodate the requests. However, if employees take job-related courses at the request of the employer, then there will be no necessity to make up the time required.

Employees enrolled in the School of Graduate Studies and Research will receive the remission of fees up to the equivalent dollar value of the fees for two full undergraduate credit courses per year.

Employees are required to pay all supplementary fees.

Employees who are unsuccessful in taking a course must successfully complete the next course at their own expense in order to qualify for the tuition waiver.

PROCEDURE

Employees are to make application to their immediate supervisors on the application form available in Human Resources & Organizational Development.

Applications are to be submitted at least four weeks prior to course registration.

Employees will be informed in writing by Human Resources & Organizational Development as to whether their applications have been approved or not.

A child will be eligible up to and including the academic term in which his or her 26th birthday occurs. Spouses or children who are also employees shall be treated as employees only.

GENERAL

Spouses or children who are also employees shall be treated as employees only. Spouses and children may enrol for credit in courses in the regular academic year, Intersession, Summer

School, Extension and the School of Graduate Studies and Research.

Spouses and children are required to pay all supplementary fees.

PROCEDURE

Applications are to be submitted at least four weeks prior to course registration.

Applicants will be informed in writing by Human Resources & Organizational Development as to whether their applications have been approved or not.

Spouses and children are to present a copy of their course approval at registration.

GENERAL

This policy applies to regular full-time support staff.

APPROVALS

Approvals for study leaves are required from the employee's immediate supervisor, the Dean, Director or appropriate Department Head, and the appropriate Vice-President.
